wears an air of prosperity that is far reaching in
its influence.

These are Commercial times, and to BE suc-

judged at first by their appearance.

As an investment, the diamond is in a class by
itself, because, outside of its intrinsic value, it has
the added value as an adornment.

When you are ready to buy a diamond, at what-
ever price, there are plenty of reasons why you
should come and see the fine line of Diamonds in
