COTTAGE GROVE LEADER (Consolidated January 9, 1908.)
BOHEMIA RUGGET

COTTAGE GROVE, OREGON, TUESDAY, NOVEMBER 8, 1910.

VOL. XXII. NO. 29

THE LATEST ELECTION RETURNS OBTAINABLE.

West Leads for Governor, Balance of Ticket Republican--State Wet--Nesmith Probably Defeated--Ditto Home Rule.

West elected governor by from 2500 to 5000 majority. Rest of state republican. Probably wet and all new counties voted down. Home rule defeated.

Bean and Bingham neck and neck in Linn, latter ahead in Lane outside of Cottage Grove. Lane dry. Home Rule lost. Bown and Russell elected sheriff and clerk.

Election day passed off quietly and very orderly in Cottage Grove and regardless of the stormy advent of the day a large crowd assembled and as the sun broke thru and scattered the clouds by noon the crowd increased and the largest vote in Cottage Grove's history was polled, even though the Dorena precinct has been cut out from East Cottage Grove since the election of two years ago. The vote of Cottage Grove was as follows:

North Cottage Grove,	284
East "	357
West "	187
Total vote,	828

Two years ago the total vote here was about 587 or less than 600, the largest ever cast here up to that time.

LANE COUNTY.
While general apathy prevailed to more or less extent almost throughout the campaign in Lane county things lived up at the close and such an interest was aroused as has not before been witnessed in the county for years, resulting in an exceptionally heavy vote being cast in Eugene and throughout the county, the total in Eugene alone being 2003, or nearly one-third of the total vote in the county.

Coming down to the county ticket, Bown is considerably ahead over Moon in the count for sheriff, and his election is freely predicted. The closest race on the entire ticket, however, will be between Creed Hammond, democrat, and Stacy Russel, republican for the office of county clerk. At the present hour, however, it looks as though Russel would win out over his opponent. S. W. Taylor is evidently the next treasurer, his lead being apparent this early in the count. C. M. Collier will win in a walk for the office of treasurer, and Hemphill will never be headed in the race for county commissioner. The office of county judge and coroner will be bestowed again upon the present incumbents, H. W. Thompson and W. T. Gordon, respectively. The Register says.

Scattering returns in Lane county give:
Hawley, 473; Smith, 246.
Bowerman, 766; West, 471.
Bingham, 387; Bean, 484.
Calkins, 396; Peery, 367.
Hammond, 474; Russel, 543.
Bown, 503; Moon, 191.
Nesmith county, yes; 85; no 302.
Home rule, yes, 216; no, 274.
Prohibition amendment, yes 83; no, 162.
Prohibition law, yes, 201; no, 283.

OREGON.
Portland--Incomplete returns of 98 out of 182 precincts in Multnomah county gives Bowerman, republican, for governor, 813; West, democrat, 742.

PROHIBITION
Portland, Nov. 8--Returns from five counties in widely scattered parts of the state give 132 votes for prohibition and 166 votes against. Returns from the country give prohibition gains, however.

WASHINGTON.
Bellingham, Wash., Nov. 8--Saloons were knocked out here today by a vote of 1655 to 856. The little border town of Sumas will be

the only wet place in Whatcombe county after February 1. The state has a safe republican majority.

CALIFORNIA
The election in California is close between the republicans and democrats with the latter slightly in the lead.

Democratic Landslide in East.
Chicago.--Democratic control of the house of representatives is now assured.

Elections throughout the country resulted in political convulsion of far-reaching extent, similar to the wave of 1892, but apparently more wide spread in effect. The national house of representatives has been carried by the democrats, reversing the present republican majority of 43. The senate will probably have a reduction in republican majority as result of legislative elections held in many states.

In New York John A. Dix, the democratic candidate for governor, is elected over Henry L. Stimson, republican, by about 55,000, reversing a republican plurality of 70,000 in 1908 for Governor Hughes.

In New Jersey, Woodrow Wilson, democratic candidate for governor, is elected over Vivian M. Lewis, republican, by about 15,000, reversing a previous republican plurality of 8,000.

In Massachusetts Eugene N. Foss, democrat, defeated Governor Eben S. Draper, republican, for re-election by about 30,000, reversing Draper's former plurality of 8,000.

In Connecticut Judge Baldwin, democrat, is elected over Charles A. Goodwin, republican, by about 4,000, reversing a previous republican plurality of 16,000.

In Ohio Governor Judson Harmon, democrat, appears to have been re-elected by about 15,000 over Warren G. Harding, republican.

In New Hampshire, Robert P. Bass, republican candidate for governor, leading C. E. Carr, democrat, by about 6,000.

In Pennsylvania the election of John R. Tener, republican, for

(Continued on Last Page)

INTEREST GROWING IN THE PACIFIC HIGHWAY

Washington and California To Vote Heavy Bonds for Project. Big Meeting Called

Following is a report of the latest developments in the Washington, Oregon and California wagon road highway or boulevard, showing how interest is growing.

The success or failure of the \$18,000,000 bond issue that is to be voted upon by the citizens of California means much to the Pacific Highway project, which contemplates the construction of an inter-national road from Mexico to Canada along the Pacific Coast. Gov. Gillette and other good road enthusiasts are actively supporting the bond issue, which will provide for at least 3,000 miles of modern highway. This will mean the immediate construction of California's part of the Pacific Highway.

It is readily conceded by all far-seeing businessmen that California needs more good roads, especially in the northern part of the state. In nearly all eastern states trunk line highways are being built and maintained by the state, and California will either take a step in advance in the matter of internal development or will retard her growth by lack of adequate highway facilities, by voting favorably or unfavorably on this bond issue.

With the securing of the services of Mr. N. B. Miller, the engineer who built the North Bank railroad for the Hill interests, for the state highway commissioners of the state of Washington, the good roads movement in the Evergreen state has been decidedly fortunate. Mr. Miller will not only devote his energies to that part of the state highway system that will become a portion of the Pacific highway, but will superintend the construction of the state road that is to be built up the Columbia river, and which will ultimately lead to Spokane via Walla Walla.

In view of the fact that the North Bank railroad is one of the best constructed railroads in the country, Mr. Miller's reputation as an engineer is fully sustained by the work he has done.

A Good Roads rally has been called for November 10, to be held under the auspices of the Tacoma Chamber of Commerce and the Tacoma Commercial Club at the commercial club's headquarters. Invitations have been sent out to all the commercial organizations and the Good Roads clubs, to send representatives to Tacoma to attend the meeting. Assurances have already come in that Vancouver, B. C. and Victoria will be well represented.

SPRINGFIELD GETS GOOD DRUBBING.

Cottage Grove Scores 42 to Goose Egg For Visitors

In their first real game of the year, the Cottage Grove High school football team defeated the Springfield high school here Saturday by a score of 42 to 0. The ball was kept in Springfield territory during most of the game, and at no time was Springfield able to score. Medley, Lewis and Hendricks, started for Cottage Grove and McPherson played a fast game for Springfield. The lineup:

Cottage Grove--Powell, center; Crabtree, right guard; Damewood, left guard; Wist, left tackle; Mathison, right tackle; Hendricks, right end; Wood, captain and fullback; Martin and King, substitutes.

Springfield--Anderson, center; Lamberty, right guard; Travis, left guard; Leneve, left tackle; Perkins, right tackle; Hockett, right end; Barnes left end; Singer, quarter; Parsons, right half; McPherson, captain and left half; Holverson, fullback; Emmons and McCracken, substitutes.

Lorane Items.

The citizens of Lorane are busy planting wheat and caring for the winter apples.

Mrs. Hiram Griggs is spending a few days in the valley at the home of her sister.

Will Ward and family visited with Mrs. Ward's people, W. B. Hawley's Saturday night.

Mrs. W. W. Jackson left Lorane last Tuesday for an extended visit in the east. She will visit her son in Colorado Springs, a sister in Pennsylvania and her mother in Ohio. She expects to be gone about a month.

Miss Laura Jackson gave a Halloween party Saturday evening. The evening was spent in the usual games for the occasion. A light luncheon was served and after listening to "ghostly" stories the guests departed, all voting Miss Jackson a splendid entertainer.

A full line of grass seeds etc., now on hand at the Cottage Grove Feed Co's. store, D. Sterling,

STOCK COMPANY AT ARMORY HALL

Mamie Haslam to Appear here in Repertoire Three Nights Commencing Thursday.

On Thursday November 10, The Mamie Haslam Stock Company will commence a three nights engagement at the Armory hall. Carrying 20 people including their own band and orchestra and special scenery, this Company is one of the largest and best on the road. The offering on Thursday will be the famous play "Tennessee's Partner," in which Miss Mamie Haslam scored such a high success in Portland. The plot is laid in Nevada, and takes us in turn to a mining camp, Caleb Swan's, the gambler's apartment and the Sudden Stop hotel. The bills for Friday and Saturday nights will be "A Bachelor's Romance" and "My Friend from India."

Supported by a capable cast including her talented sister, Miss Cora, Miss Mamie Haslam is meeting with the greatest possible success in every city enroute.

Owing to the importance of this engagement, the theatre is certain to be crowded each night and those wishing to secure good seats are advised to reserve them in advance. Seats are now selling at the Wave. Popular prices, 25, 35 and 50 cents.

No Poultry Show at Roseburg.

Owing to unfavorable conditions the Roseburg poultry association has given up its plans to hold a poultry show in that city this winter, and Cottage Grove having decided to hold no poultry exhibit this winter, the Eugene fanciers are bestirring themselves in an effort to hold a big show there this winter. Cottage Grove held a large and successful poultry show last winter and it is up to Roseburg or Eugene to put up the show this winter.

"Home Ruin" in Washington.

The Oregonian recently reported three murder cases in Whitman county, Wash., all traceable to whiskey, and then said: "The cause of temperance will be materially aided in Colfax by these three trials; but the lesson will not be heeded by the saloon men, for it is in the small town or city that the business is conducted with the least possible regard for decency."

My dear boy, you will never know what real happiness is until you get married, but then it will be too late for you to appreciate it.

SUMMARY OF LOCAL AND LANE COUNTY HAPPENINGS

New Steel Bridge is Completed--O. & S. E. R. R. Annual Report--Fine Orchard--A New Pastor--City Improvements.

Portland's population is to be placed at 207,000 according to reports. That is going some.

Jas. Atkinson will build a modern bungalow on the lot secured from Mrs. C. Gray on West Wall street.

Druggist Harry Brehaut has been brought home from the Eugene hospital, his condition being much improved, but he is not yet able to leave his room.

Rain caused a suspension of paving on main street Monday and Tuesday, but a full force is pushing the work again. It will be a grand improvement.

The Booth-Kelly log drive that has been on the way down the McKenzie for several weeks, has arrived at Coburg and the logs are now safe in the boom.

Miss Myrtle Purvance has recovered from an attack of measles and is able to resume her school work again. Miss Hazel Hazleton had charge of her grade during her illness.

The new steel bridge across the Row river near this place was formally accepted by County Commissioners Edwards and Price, who made the trip to the bridge Saturday afternoon.

W. C. Gauley has instituted suit in the circuit court against H. D. Crites and Robert L. Gauley to recover \$1125 with interest at 8 percent from July 24, 1906. J. C. Johnson is attorney for the plaintiff.

Mrs. Comer, wife of J. H. Comer, is seriously ill at her home on Wall street from pneumonia. Her son George of Vancouver, and daughter, Miss Minnie, who is teacher of the Gravel Ford, Coos county school, are at her bedside.

John Nokes has just returned home from Scio, where he was visiting with his son, Clyde. He relates a good joke on Eugene. He was standing at the depot at Scio, when a train pulled in and a Eugene knocker against Nesmith, alighted for a moment from the train and handing him a large roll of anti-Nesmith literature requesting him to see that it was distributed about Scio. Of course John circulated the literature--nit.

That the Oregon & Southeastern operated at a net corporate loss of \$54,745.68 is shown in a report just filed with the Railroad Commission. The total operating expenses were \$63,618.95 and the total operating revenues \$36,218.62.

To give practical tests to irrigation possibilities in the Willamette valley, a group of Portland capitalists has bought several thousand acre tracts at various points along the valley. A million dollars or more will be spent, if necessary, in developing the project.

Messrs. Alfred Jury, E. A. Schrepel, Jas. Potts, Robert Griffin, Mr. Turpin, William Landess, L. A. Cates and City Engineer Nichols will all build regulation sidewalks fronting their residence properties on East Main street. The first four gentlemen mentioned have completed their sidewalks while Jas. Potts is also building a cosy, modern bungalow. Good for east Main.

Bales Bros., of Dorena, have picked 2029 boxes of apples and have shipped two carloads to the Eugene Fruitgrowers' association at Eugene, from eight acres of their orchard. They have 14 acres in orchard and the entire number will bear next year. They began 14 years ago by clearing the land, which was then a forest, and setting out about 100 apple trees, and a year ago they refused \$14,000 for their orchard. They have an acre and a half planted between the rows with strawberry plants, which were set out two years ago, and netted them \$450 when less than two years old.

After being without a regular pastor for several months, the Presbyterian church of this city has secured Rev. Albert S. Mason, of Redding, Cal., who has held the pastorate of the Presbyterian church in that city for three years. He is a native of California, but was reared and educated at Evans-ton, Ind., graduating from the Northwestern University with the class of 1892. He has held charges at Forest River, N. D., Brook- ington S. D., and Mount Morris, Ill., before coming to California.

Among the twenty four young ladies selected from Willamette University, Salem, Oregon, to compose the Ladies' Glee Club of that institution, Miss Armorel Sutcliffe, daughter of Rev. and Mrs. Robert Sutcliffe of this city, was selected as one of the second altos, and received praise from the director for the quality of her voice, she being a rare and natural contralto. Miss Sutcliffe's Cottage Grove friends will be pleased to learn that she is making rapid progress in both her studies and musical work.

Eugene News Notes

F. J. Hard returned from a trip to Cottage Grove Wednesday evening and says they are now spreading "dope" on their streets.

Mrs. J. Hughes, of Salem, who has been visiting Mrs. Will Bushnell, left for a visit with Cottage Grove friends Thursday afternoon.

F. L. Snodgrass, of Cottage Grove, went to Portland Wednesday evening in response to a telegram announcing the death of his mother.

Miss Ella Vandenberg went to Cottage Grove Thursday to visit her half brother, J. H. Shewry, who is looking after the paving in that city.

Mr. and Mrs. J. W. Jackson went to Cottage Grove Wednesday evening for a visit with Mrs. Jackson's parents. While there "Jack" will do some pheasant hunting.
