How many bright young men and women who were seeking a higher education in the U. of O. the past winter were stricken down with typhoid fever, as a result of the use of Eugene bad water, which when boiled is apt to produce other disorders and illness. Who wants to send their bright boys and girls to Eugene to be educated under such conditions? No more money should be spent on the U. of O. campus until there is an ample supply of pure, wholesome water provided and that too without being strained through a filter, which cannot be permanently satisfactory.

Send at once for samples of our laces, samples free, have a few vacancies for agents. Michaels & Petrie, room 515, 260 West Broadway, New York City.

Experience Is The Best Teacher

And it is through experience that we have learned the merits of the Celebrated Mallory Hat.

The numerous customers who asked for a Mallory Hat at our store in the past and who would accept no other caused us to "sit up and take notice." We profited by this experience and have secured the agency for this famous hat for Cottage Grove.

CHURCH NOTES AND ANNOUNCEMENTS.

Services at the Christian Science hall at 11. Subject of lesson sermon, "Man," Sunday, March 5, 1911.

The organized bible class of the pastor of the Christian church will give a class social at the parsonage Wednesday evening. The class has chosen the name of Loyal Bereans. Albert Griffin is president of the class.

At the Presbyterian church, Sunday March 5th, the pastor, Rev. A. S. Mason, will present the following subjects: "An old song with new words," at 11 a. m. This will be a discussion of the Twenty-third Psalm. In the evening at 7:30, the subject will be "Excelsior." The congregations at this church are good, notwithstanding many cases of sickness, but there are always seats for a few more.

Next Sunday morning Rev. Elkins will preach the third of a series of sermons on the subject, "Avenues of Power." These sermons have been very highly appreciated. The discourse will be illustrated with a beautiful chalk picture. Evening subject, "Science and Religion." During the introductory service Mr. Elkins will recite Whitcomb Riley's famous poems entitled, "The Old Man and Jim." Bible school and Endeavor at the usual hours. Everybody welcome.

Owing to the epidemic of bad colds and grip the revival services were closed at the M. E. Church Sunday night after two weeks of successful meetings, during which fully a score of young people expressed a desire to unite with the church. The beautiful sacred solos by Prof. Stout, were great features of the meeting although he labored under difficulties owing to a cold from which he suffered, as did also the pastor Rev. Sutcliffe. On last Friday evening but two out of a choir membership of 18 were able to assist in the music and owing to these conditions it was thought best to bring the meetings to a close.

Services of more than usual interest take place in the Methodist church on Sunday. Address by pastor on "The Source of Love" at 11 a. m., followed by sacrament of the Lord's supper. This blessed meal will be taken by families, the largest taking precedence. Let every member strive to be present. People's popular service at 7:30 p. m.
