

ROYAL Baking Powder

Absolutely Pure

The Only Baking Powder Made from Royal Grape Cream of Tartar.

Safeguards the food against alum.

Chemists' tests have shown that a part of the alum from biscuit made with an alum baking powder passes into the stomach, and that digestion is retarded thereby.

Read the label and make sure that your baking powder is not made from alum.

At the Christian Church

Special Easter services at the Christian church next Sunday, 11 a. m. Easter sermon, picture and music. Sunday school and Endeavor services at the usual hours. At the evening services Rev. Elkins will speak on the interesting subject, "How to Live a Hundred Years." This address will be the outcome of a recent conversation with "Grandma" Todd of Eugene, who lately celebrated her 101st birthday. Old people's service Sunday April 23, a. m. Cartwright concert company will sing at the evening services.

Try the Leader a year.

Easter at the Presbyterian.

At the Presbyterian church Sunday April 16, the Sunday school will render a special Easter service of songs, recitations, and instrumental music. This will be given at 11 o'clock in the place of the usual preaching service. In the evening at 8 o'clock, the pastor will preach an Easter sermon. There will be special music at this service, an anthem by the choir, a duet by Mrs. Waterhouse and Mr. Kinter, beside other attractive features. The Presbyterians will be pleased to welcome you at these services and cordially invite you to join them in this Easter celebration.

F. H. Rosenberg at Aberdeen.

The report is current at this place and Eugene that F. H. Rosenberg, formerly of this city, but late of Raymond, Wash., had mysteriously disappeared and that foul play was feared. However, the Leader is informed by a friend of the family which still resides here, that a letter was received by Mrs. Rosenberg Sunday from her husband stating that he was now in Aberdeen, Washington, considering a position offered him, which he considers much better than the one he recently gave up at Raymond.

BETTER PAY UP

All those indebted to the Leader on subscription account for two years or more will be dropped from our list on May 1, 1911, and the accounts will be placed in a collector's hands. It takes a lot of money to buy ink and paper and employ experienced and practical workmen and we must insist that all accounts due the Leader be paid up. This request is made necessary from the fact that all postmasters have instructions to accept as second class matter no newspaper on which the subscriber has allowed his subscription to become more than one year delinquent.

Many friends are glad to note the improvement in the health of this genial, highly esteemed and venerable old gentleman.

When a medicine must be given to young children it should be pleasant to take. Chamberlain's Cough Remedy is made from loaf sugar, and the roots used in its preparation give it a flavor similar to maple syrup, making it pleasant to take. It has no superior for colds, croup and whooping cough. For sale by Bensons Pharmacy.

CHURCH NOTES AND ANNOUNCEMENTS.

Hardly a Sabbath goes by without additions being made to the membership of the Methodist church. On Sunday evening three adults and two young people were received. At the Thursday evening prayer meeting no less than 65 were in attendance.

The Cottage Grove W. C. T. U. will observe "Gift Day" Monday, April 17th in honor of the birthday of our state treasurer, Mrs. Hattie J. Shaue by selling tags at 10 cents each. Hoping our friends will help us in this work as the proceeds will be equally divided between local, county and state work. Mrs. K. B. Woods, president.

A very interesting meeting of the Foreign Missionary society of the M. E. church was held at Mrs. L. F. Orpurd's home last Wednesday afternoon at which time delegates were elected to the district convention which will be held at Brownsville April 20 and 21, as follows: Mrs. Geo. Hall, Mrs. J. S. Benson and Mrs. Joe Porter. A most interesting letter was read from Cottage Grove's missionary to China, Miss Lura Hefty, and none regretted the aid and support given her.

Lost in the Woods.

Three of the city councilmen accompanied by Engineer Taylor were out in the hills east of this city last Sunday looking over some desirable timberland to include in the new proposed limits of the town. Two of them were examiners, the third a timber cruiser, and Surveyor Taylor ought to be a good woodsman, but they got hopelessly lost, wandered about in the gloomy rain hoping for a glimpse of the sun to tell them where they were at. But alas! not a ray of light, but instead more gloom and more rain. The situation was getting desperate. Cold, wet, hungry and hopeless, they began walking around a cedar tree with their dripping umbrellas over their drooping heads. Leaving the three in this plight, Engineer Taylor picked out what he thought was an westerly course, taking care not to get out of hailing distance of the three desperate men. Going a little way off he was turning round and round trying vainly to get his bearings or to see some sign of human habitation. Mr. Taylor was surprised and delighted to see a native step out of the jungle. Being informed of their serious plight, he without hesitation proceeded to point the way out to the settlement. Lucky it was that they were found when they were as the dreadful storm of Monday would likely have been too much for the weary, emaciated fellows had they remained in the wilderness till next morning without fire or food.
