A VALUABLE HEN.

The hen, Lady Washington by title and family name, is said to be valued at just \$12,000. Wouldn't that make you cackle? Well, we should scratch! Lady Washington belongs to a firm of poultrymen at Scranton, Pa., who recently received by wire an offer of \$6,000 for her from a Philadelphia millionaire chicken fancier, who coveted her so that he could show her off at the Philadelphia poultry show. The firm wired back: "Your offer of \$6,000 not accepted. Our Black Orpington hen Lady Washington cannot be bought until after the Scranton show. We will then consider an offer of \$12,000." When Lady Washington drinks she can use the prize cup she won as the best bird at the recent poultry show in New York. If any reckless millionaire fancies killing her for his table he will set before his guests the costliest meat ever cooked, for Lady Washington weighs just ten pounds, and even little Willie can figure out that that is \$1,200 a pound. The eggs from this phenomenal chicken sell for \$25 apiece, so that if one should call for ham and Lady Washington eggs—say three fried—his breakfast would cost him \$75.15, the 15 cents being for the ham. It is a real pity that that western prospector who suddenly struck a gold mine and went to New York to get a square meal at Delmonico's could not have had "ham and" with Lady Washington's eggs as the "and" part. He couldn't read the French menu, so finally he said to the waiter, "Oh, dad blame it, just fetch me a hundred dollars' worth o' ham an' eggs."

HERBINE

For the Bowels

A Cure for Chronic Constipation, Torpid Liver and Irregular Bowel Movements.

Constipation is the most common disorder of the bowels. It affects both sexes and all ages but is more prevalent among women because their duties in the household require less physical exercise than the occupations of men; therefore women suffer most from its baneful effects.

A constipated person is an easy victim when exposed to any serious disease—Pneumonia, Typhoid Fever, Malaria, Rheumatism, Small Pox, Yellow Fever and Bright's Disease rather their annual harvest of death among those who are habitually constipated. Even though they escape these diseases, such persons are always ailing more or less. They have headaches, bad digestion, dizziness, vertigo (blind staggers), pallor, complexion, flatulence, loss of strength; and no energy at all. Herbine has a most admirable effect in the bowels; it is cooling, purifying and regulating. It puts a prompt check on biliousness, wind in the bowels, nervousness, heartburn, bad breath, low spirits, drowsiness in the daytime and nervous wakefulness at night.

Price 50c per Bottle.
