A Visit to Lorane.

A LEADER representative visited the Lorane valley one day last week and as this was our first visit in that valley we admit that we were greatly surprised to find one of the nicest little valleys we have seen. The drive from this city was a very pleasant one as the roads are in very good condition at present.

When we entered the valley the hum of the mower and binder greeted our ears and we could see the busy farmers at work here and there harvesting their large crops of grain. The potatoes and in fact all kinds of garden crops look exceptionally well.

Looking out across the valley the large fruit tracts of the Churchill-Mathews Co. were in full view and this orchard of several hundred acres is looking fine. On arriving at the town, we were given the glad hand and bid welcome to the valley.

We found two good country stores, a school house, a church, two halls, a creamery and cheese factory and a number of dwellings. We also noted that the farms looked prosperous and thrifty and with hardly an exception the farm houses were good, this alone speaks well for any community. What this little valley needs is better means of transportation and we believe the time is not far distant when this prosperous valley will have a railroad.

Wheeler-Beals.

A very pretty wedding was solemnized Sunday afternoon at 4:30 in the Presbyterian Mause by the Rev. A. S. Mason. Cupids victims were Harry Wheeler and Lottie Beals, two of our most popular young people.

Refreshments were served after which the company dispersed wishing the newly weds many years of happiness.

Miss Lottie Beals is the daughter, of Mr. and Mrs. C. W. Beals, of this city, and is a very estimable young lady and having acted as saleslady at Lurch's for over a year is well known in this city. Harry Wheeler is the son of Mr. and Mrs. M. M. Wheeler, of this city, and is an exemplary young man. He worked with Thos. Aubrey in the Postal Telegraph and Wells Fargo office of this city until recently when he entered the Wells Fargo office at Roseburg.

Mr. Wheeler will have charge of the local Wells Fargo office for a month during the absence of Mr. Aubrey. After Mr. Aubrey returns they will return to Roseburg where they expect to make their future home.
