Resolutions of Respect.

Hall of Cottage Grove, Camp No. 7424. M. W. A., Cottage Grove, Or., October 17, 1911.

Your Committee appointed to formulate a memorial upon the death of our neighbor, Perkins Miller, presents the following.

Whereas, the spirit of our neighbor has been summoned from earth to the world beyond, each member of this Camp feels our bereavement when we remember his kind and gentle manner and the warm attachment he had for each co-laborer, in the death of our fellow worker. We have lost a kind and true friend who always had a pleasant smile and a kind word for us all. And while we bow in humble submission to this sore disappointment, we offer our deepest sympathy to his wife and children and relatives who are bereft of a loving husband and kind and forebearing father and friend.

Therefore, in token of our esteem of our departed neighbor we appropriately drape our charter for a period of thirty days, present a copy of these, our most sincere utterances to the family, spread them upon our minutes, and furnish the same to our local papers for publication.

Respectfully Submitted,
 THE COMMITTEE.
