

A Barbed Wire Cut, Collar or Saddle Gait not properly healed leaves a disfiguring scar.

Ballard's SNOW LINIMENT

Is the Right Remedy for All Abrasions of the Flesh.

If the wound is cleaned and the liniment applied promptly, the healing process begins at once and the wound heals from the inside outwardly, thus performing a perfect cure that leaves no scar. If the wound heals on the outside too quickly, pus forms under the surface and breaks out into a running sore that is hard to cure and inevitably leaves a bad scar.

Owners of blooded stock prefer this liniment to all others for that reason, and they use it not only on fine animals, but on human flesh, as it does its work quickly and thoroughly.

Price 25c, 50c and \$1.00.

This week the pupils of the Wildwood school met and organized a school club that is arousing quite a bit of interest. The name of the new club is "The Wildwood School Club" and has for its motto "A better Wildwood School." The officers are: Vergil Pugh, pres.; Neva Slagle, vice pres.; Hollis Slagle, secy.; and Fred Stirewalt, treas. The colors chosen by the club are Maroon and Navy and its flower is the rhododendron. The club meets every two weeks. The business of the club is carried on along strictly parliamentary lines, this part of the work being under the supervision of the teacher. We hope to give the boys and girls a bit of practical work along such lines so that they may be able to perform these duties later in life.
