New Commandments for Husband's Benefit

Brockton, Mass., Dec. 19—A series of "Ten Commandments for Wives," prepared by the Rev. Albert Hyde, pastor of the Porter Congregational church, is being circulated in printed form here. They are as follows:

"Thou shalt not marry for revenue, or even to escape being an old maid. After the marriage thou shalt not put on an old wrapper, or wear slippers run down at the heels.

"Thou shalt not be a slave of fashions.

"Thou shalt not be a gossip."

"Thou shalt not be out of sorts when thy neighbor in a limousine smiles on thee in a trolley car."

"Thou shalt not break down the nolicense law by serving punch at thy parties."

"Thou shalt not forget the age of thy children in the public conveyance."

"Thou shalt not 'let loose' on thy husband on wash day or even in house-cleaning time."

"Thou shalt not spell home as 'matinee' or 'club', or 'moving pictures'."

"Thou shalt not forget where thy Bible is and be unable to find it when thy minister comes."

A Welcome Announcement

Portland, Or., Dec. 5.—Announcement of a new railroad across Oregon from east to west was appropriate news for Thanksgiving week. President Lovett of the Harriman system has authorized the construction of the Oregon Eastern from Vale to Dog Mountain, a distance of 140 miles. The road will not stop there but will be built to Burns, then presumably on to Bend and very likely south to connect with the Natron-Klamath line.

Work on the project will be rushed and it is expected to get the first link under way before the end of the present year. This new mileage will be of great value to Eastern Oregon, a country now undergoing rapid development, and will give modern transportation to a district now isolated.
