CALIFORNIA STATE UNIVERSITY ARRANGES ATHLETIC MEET FOR HIGH SCHOOLS

Berkeley, Cal., Jan. 15. High schools throughout the State, and a number in Oregon and Washington, have accepted the invitation of the University of California to compete in the Second Pacific Coast interscholastic meet to be held on the campus April 26 and 27. The meet, to which the Cottage Grove school, among others, in this vicinity has been invited, will undoubtedly be the most important event on the coast in the realm of high school track athletics. This meet is an annual event.

Special preparations have been made by the Big "C" Society of the University for the entertainment and housing of all the visiting athletes during their entire stay at Berkeley. The fraternities and house clubs have offered their houses for this purpose.

The evening preceding the meet the University Glee Club will give its annual big show in the Harmon Gymnasium. The visiting athletes will be invited to attend. The monster inter-scholastic circus will be held Saturday night at California field. This will be the largest

affair of its kind ever attempted on the Pacific Coast. At this circus the visiting men and teams will be awarded their medals and cups. The new University swimming pool will be open to the use of the athletes at all times while they are on the campus.

Teams will be limited to twelve men, including the relay team. The meet will be a two-day affair, the heats taking place on Friday, April 26, and the final events on Saturday. All of the usual track events will be on the program, with the exception of the two-mile run.

Medals will be awarded to all taking places. In addition, several handsome cups will be awarded a perpetual challenge cup for the winning team, a perpetual challenge cup for the winning relay team, an individual cup to be kept by the highest individual point winner, and a challenge record cup for the record holder in each event. The medals given at this meet are the most handsome and expensive given at any high school meet on the coast. They are made by Shreeve & Co. in San Francisco.

The Southern Pacific Gives Pensions

The voluntary pension distributions of the Southern Pacific Company will reach the million dollar mark before the first day of April, this year. Since the inauguration of the pension department in January, 1903, \$948,538 has been voluntarily disbursed among the retired employees of that corporation. The total disbursements for December 1911, were \$17,073. This was divided among 467 former employees who have been retired for age, disqualifying disability and total disability. The total pension disbursements for the year 1911 were \$184,704.05.

Since the organization of the pension department the Southern Pacific Company has pensioned 692 of its former employees. The number on the pension roll at the close of 1911 was 467. These employees are from the operating department, train service, motive department, including enginemen, maintenance of way department, stores department, traffic department, accounting department, general offices, ferry and river steamers and Atlantic steamship lines. The Southern Pacific pension system does not require any contributions from the employees during the time they are in service, nor at any time. Length of continuous service is the only requirement. All payments are made from the general funds of the railroad.

A unique idea of the beneficiaries of the pension bureau the annual reunion has met with unanimous favor. The first affair of this character was held in 1910. This year it has been decided to hold the reunion on May 10, the forty-third anniversary of the driving of the last spike connecting the Central and Union Pacific railroads. At these affairs these railroads are rebuilt in reminiscence and the old timers who have not met for years recount their experiences of the time the first railroad to the west was constructed.
