Church News

Church of Christ: Mother's service last Lord's day was attended by a large number of people and was an enjoyable service, throughout. Mr. Fagan touched many hearts by his excellent solo—"Memories of Mother." In the evening a large congregation was present, in spite of Governor West addressing the people at another place in the city. One lady was immersed at the close of the evening service. Next Lord's day the sermon at 11 will be on—"Much Speaking," and at 8 p. m. on—"A Lost Christ." These services are intended to magnify God's power in the lives of men. If you come you will be helped.

Last Sabbath at the Methodist church will long be remembered as a day of big things from morn until eve. Next Lord's day in many respects will be its equal. The Pastor has a most interesting subject at the 11 o'clock service. He speaks upon "The Mule Seeker Who Found a Crown." At 8 another of those unique state services. Special reserved seats are set apart for the people who have lived in Missouri, Michigan, Minnesota and Oklahoma. Rally to the support of your commonwealths and let us see which one will have the largest delegation. Bible school at 9:45 and Epworth League at 7. A hearty welcome to all.

The Lend-A-Hand men's class is continually planning and doing big things. The debate between Anderson and Smith last Sabbath was greatly enjoyed. Dryden in five minutes gave us the laws of Oregon relative to the employment of women. Next Lord's day at 10 a member of the Republican, Democratic, Prohibition and Socialist party will give the cure, advocated by their respective leaders, for the evils attendant upon the entrance of woman into industry. Come and make one with us.

Creswell vs. Cottage Grove

Cottage Grove 6 and Creswell 5 was the result of Sunday's game at this city. The game was replete with sensational hitting and fielding. It looked as though it might have been anybody's game until the 9th inning when Cottage Grove put out many over the Creswell boys, giving them the decision.

The features were the hitting of Glass and Marshall of the local team as well as the work of the pitcher who hurled a good game with 14 strikeouts to his credit. Locals will play Junction City next Sunday here on their home grounds. The band will play. All come! We need the money.

Mr. and Mrs. J. V. Stewart of this city, went to Goshen on Thursday of last week to see their friends, Mr. and Mrs. A. L. Roney. They remained till Saturday.

Passing of an Old Soldier

Wm. H. Arne, an esteemed citizen of this city, and a veteran of the great civil war, died at his home in Cottage Grove, this morning May 14, after having been in poor health for some time past, aged about 70 years. He was feeling fairly well Sunday and with Mrs. Arne enjoyed a sumptuous dinner at the home of his daughter, Mrs. F. B. Phillips, where he received a call from Governor West on that day much to his delight, he not being able to attend the Governor's address in the evening. On Monday he was comfortable, but on this Tuesday morning about 4 o'clock after some restlessness he fell into a sound sleep from which he never awakened. Funeral services will be conducted from the M. E. church Thursday at 10 o'clock under the auspices of the G. A. R., interment in the Masonic cemetery.
