If prosperity of a church is judged by its prayer meeting, the Methodist church is surely prosperous at the present time. Last week no less than twenty eight prayers were offered. On Thursday evening the topic for discussion is "The Lord's Day". An animated alphabet of young people will tell how to make a prayer meeting successful. Come and hear them.

Mesdames Chambers, Johnson and Compton received a rising vote of thanks from the members of the Lend-a-Hand class on Sunday morning for their excellent addresses on Woman's work in the church, in club life and in the W. C. T. U. Next Lord's day at 10 o'clock the subject for study is "Woman Suffrage." This will surely be one of the most interesting and profitable discussions yet held.

The summer campaign at the Methodist church is producing splendid results. Every department of the society is as full of life and vigor as if it were autumn or winter. One hundred and eighty-six were the figures placed on the Bible school bulletin board last Sunday by Supt. Goddard. Three young people were received into membership during the day. Mrs. Chambers is weekly securing new members for the Cradle Roll. Next Lord's day will be full of interesting services. Bible school at 9:45.

Died.

Callison—On Thursday, June 13, 1912, at the family home at Jasper, Mrs. Martha, wife of Rev. Rufus G. Callison, aged about 65 years. Deceased was one of Lane county's most respected pioneers. The funeral service were held at the Pleasant Hill church on Saturday afternoon, with interment in the Pleasant Hill cemetery.

Additional Locals.

S. T. Smith was severely pinched—not by the cop and his court, however—last Thursday. The young man is employed at the sash and door factory of the Cottage Grove Manufacturing Co., and while working about a re-saw his jumper sleeve was caught in the cogs of the feed gear and his arm at the wrist was drawn into the machine sufficiently tight to cause a severe bruise before he succeeded in throwing off the belt which drove the machine with his other hand. With the slightest turn further his arm would have been so badly crushed that there is no question but amputation would have been necessary. He may consider himself very lucky in being the possessor of two whole arms.

The closing exercises at the Cedars school one mile west of Cottage Grove will be held Saturday evening June 22, at the close of which well filled baskets will be sold and ice cream will be served. A most enjoyable time is assured all who attend. Receipts from sale of baskets go toward supplying this new school with needed maps or charts.

Miss Ailene Stark came up from Eugene Friday and will spend a week with her father and sister at Hotel Oregon.
