The late heavy rains have spoiled some ripening strawberries, but will cause many more to come later, and will probably cause some of the early cherries to burst open, and it begins to look as if there will be no crop of small potatoes at all. However, there are other sections which have more to complain about.

Don't Throw Away Your Old Harness

Give my repair shop a chance to them. Quick and reasonable. You'll be surprised at the wear you can get out of your old harness after they have been through my repair shop. It costs very little. It pays to keep your old harness repaired as I repair them. Our repair shop does more for your money than any shop in town.
