Bakery Makes Improvements.

The Pride Home Bakery is expecting the arrival daily of a large modern portable oven which will be installed at once upon its arrival, when a new brand of bread will be furnished wholesale and retail to grocers and the trade. Come and see us, and try the new product of the Pride Home Bakery.
MILTON BURTON, Manager.

Dr. J. E. Fisher, Chiropractor and Neuropath, of Portland, has leased a suite of rooms in the Phillips brick, and will return to this city to locate permanently in a short time. The doctor comes well recommended.

Stone to Fit the Purse

Is better than none at all. The spirit in which a monument is erected counts more than the cost.

A Moderate Cost

Stone will show as much respect and love for the departed one as a more expensive stone if you can afford only the smaller sum. We have various designs in low-priced memorials we shall be glad to submit to you.

Insect Exterminator

(PATENT APPLIED FOR)

An inexpensive and simple little device designed, tested and found most effective in the destruction of the flea beetle and general plant insects. Patented and thoroughly tested by George O. Walker and found most practical in his large tomato field last season.

A TESTIMONIAL

Among many other testimonials Mr. Walker submits the following from Harry K. Metcalf, proprietor of the Sunnyside Greenhouses, Cottage Grove:

"I have seen your insect catcher and I believe it to be a very complete and effective trap for tomato fleas, beetles, etc., and it certainly cannot injure the most tender plant as the spray cure often does."
