Isiah was regarded as an undesirable citizen by the wealth-holders of his day.

Stone to Fit the Purse

Is better than none at all. The spirit in which a monument is erected counts more than the cost.

A Moderate Cost

Stone will show as much respect and love for the departed one as a more expensive stone if you can afford only the smaller sum. We have various designs in low-priced memorials we shall be glad to submit to you.

A letter from J. D. Mickel, Oregon Dairy and Food Commissioner, dated May 12, in answer to one from us, as to how dairy butter shall be marked, indicates that "plainly marked" does not mean writing on greasy butter wrappers with pencil or pen and ink, nor the use of a rubber stamp, as within the meaning of the law. He complimented us upon the sample of printed wrapper we had enclosed to him so that we feel safe in guaranteeing that our printed wrappers will go through if the butter does.

Whatever a good drug store ought to have—and many things that other drug stores don't keep—you'll find here. Come to us first and you'll get what you want.

THE NYAL STORE

Pennant Brand of Bread.

It satisfies when no other kind can satisfy. When the nectar of the gods taste flat and insipid, and when the menu with its surfeit of viands and victuals fails to please, good, sweet, nutritious Pennant Brand of Bread comes like a ministering angel to put courage and spirit into the hearts of men. Every loaf wrapped in waxed paper and absolutely fly and dust proof. Pennant Brand weilds the scythe in its regal sway. Sought by rich and poor. It is indeed a builder of men and is as good, if not better, than others. Sold wherever good bread is sold. Made in Cottage Grove.

PRIDE HOME BAKERY.

\$800 Offer—40 acres, fenced on three sides, 5 or 6 acres for garden, family orchard, two springs, cabin, some building material, piling timber, woodland pasture, 4 miles from Cottage Grove, near railroad and school. Good place for poultry and stock. Terms.

Insect Exterminator

(PATENT APPLIED FOR)

An inexpensive and simple little device designed, tested and found most effective in the destruction of the flea beetle and general plant insects. Patented and thoroughly tested by George O. Walker and found most practical in his large tomato field last season.

A TESTIMONIAL

Among many other testimonials Mr. Walker submits the following from Harry K. Metcalf, proprietor of the Sunnyside Greenhouses, Cottage Grove:

"I have seen your insect catcher and I believe it to be a very complete and effective trap for tomato fleas, beetles, etc., and it certainly cannot injure the most tender plant as the spray cure often does."
