The Christmas rush in advertising and printing orders having delayed the Leader on publication day for the past two or three weeks seems to worry a certain sheet which misses this source of news supply, no doubt.

A miniature snow-clad barn with a manger containing hay in which reclines a little doll and another large dressed doll sitting nearby, and toy horses and cattle occupying stalls adjoining, recalls vividly to mind a well known biblical story, when you stop and gaze into the Rees-Wallace Co. show window. A clever idea.

The Leader's writeup of the football game between the Cottage Grove High School and Drain was unfortunately overlooked in the rush as we went to press last week, but the closing game proved a great victory for the champions of the Willamette valley, the score standing 52 to 0 in favor of the home team. The closing game for Capt. Earl's team proved the banner game of the season. Touchdowns—Cellers 3; Damewood 3; Martin 1; Smith 1. Goals—Cellers 2; Earl 2.

Parole officer, Frank H. Snodgrass, of the state penitentiary, stopped over in Cottage Grove Friday evening to visit friends and look after official business, while on his way to Sacramento to bring back an escaped convict. It was Mr. Snodgrass who as special agent for Governor West "cleaned up" the old town of Baker City recently, and also gave truant officials up there a shaking up they will remember for a while. Mr. Snodgrass served as city marshal in Cottage Grove for many years and was a terror to law violators. He was "always on the job."

Society Notes

By Mrs. W. C. Conner.

A pretty wedding was that at the home of Mr. and Mrs. Frank B. Phillips, in Coquille, Oregon, Tuesday evening, December 16, 1913 at 8 o'clock, when their daughter, Miss Flora, and Mr. Henry Raymond McKinley of Tillamook, were joined in the holy bonds of wedlock by the Rev. Cal Bryan, pastor of the M. E. church. Only the family of the bride and a few intimate friends witnessed the ceremony, after which a dainty wedding dinner was served. Mr. and Mrs. McKinley will make their home at Tillamook, for which place they took their departure on the steamer Breakwater Wednesday amid the best wishes of many for a long, happy and prosperous journey through life.

The Royal Neighbor Club was entertained this afternoon by Mrs. C. W. Wallace at her home with a Christmas tree social. Each guest brought a gift and upon entering drew a name of one of the ladies and attached it to the present, which was put on the tree and later was distributed. The rooms were decorated with ivy, cedar, chrysanthemums and red bells, and excellent refreshments were served. Mrs. Wallace was assisted by her sister, Miss Ursula Lockwood.

A pretty social affair of the week was the miscellaneous shower, given by the Misses Verna Hawkins and Maude Lamson, at the home of Mrs. Jorgensen Saturday afternoon, complimenting Miss Myrtle DeSpain, whose marriage to Mr. Henry Jorgensen will occur December 25th. Needlework was the afternoon's diversion and later a number of games were introduced and the gifts presented to the bride-to-be. Dainty refreshments were served.

Mrs. J. E. Grivey, died in this city last week and the remains were shipped east for burial. Mr. and Mrs. Grivey arrived here from the east last spring and brought a little farm home in the Coast Fork valley where they have since resided.
