MODERN WOODMEN MEET IN CONVENTION

The state convention of the Modern Woodmen of America closes at Eugene today after a two days' session. Several hundred representatives are in attendance to select Oregon's delegates to the national convention, or head camp, to be held at Toledo, Ohio in June.

Eugene is entertaining the Woodmen elaborately with auto trips and public functions to make their convention a pleasant one.

Fair Representatives to Meet

A meeting of representatives of Lane, Douglas and Jackson counties will take place at Roseburg on May 20 to arrange a speed program for the three county fairs to be held in September. Walter B. Dillard, of Eugene, will represent Lane county.

All these county fairs will be held before the State fair, and the purpose of this meeting is to arrange a speed program that will not interfere with other state racing meets, as many fast horses will be brought from California for the Oregon circuit. The county has appropriated \$2000 towards supporting the fair, and \$1900 is the apportionment allotted to Lane from taxes for county fair purposes.

Card of Thanks.

The undersigned desire to extend their heartfelt thanks to their many kind friends for courtesies and favors extended them during the late illness and burial of their son, Raymond Kelly, and especially to the Odd Fellows and Rebekahs and those who contributed automobile conveyance to the cemetery.

G. W. Kelly and Wife.

TO THE REPUBLICAN VOTERS OF LANE COUNTY

I am a candidate for the Republican nomination for County Judge of Lane County. I have been urged by my friends to make a personal canvas for the nomination, but have not done so. In the first place, I haven't had time, and in the second place, it is repugnant to me to make an active personal campaign within my own party.

I have all my life been interested in politics, and believe in the principles of the National Republican party. I have held office in Minnesota as a Republican, and have been a delegate to many Republican Conventions there, both county and state. Since coming to Oregon, over twelve years ago, I have represented Lane County in the Legislature as a Republican, for three sessions; once as Representative, and twice in the Senate.

I believe I am qualified for the office of County Judge, both as Judge of Probate, and as chairman of the Board of County Commissioners. As Probate Judge, the County Judge should have some legal qualifications, as all the property in the county, sooner or later, passes through the probate court; and as a member of the Board of County Commissioners, he should have good business qualifications, as the county court expends all the money collected as taxes, and the matter of the sober discretion and business judgment of that body is of vital importance to every tax-payer.

I was engaged in active practice of law for seventeen years in Minnesota, and have been in close touch with the practice in this state during my residence in Lane county.

I consider the Republican nomination for County Judge as practically equivalent to an election; and if elected, I shall strive to give the county an efficient, economical business administration, and to see that every section of the county, and every individual and business interest are treated with absolute impartiality; and I believe I have the training and ability to do so. I have no business interests of any kind that will conflict with my giving my undivided attention to the business of the county, and that will be my business if elected.

I have made no promises of any kind to any individual or community, and shall be free to act independently as occasion arises. Although a Republican, as County Judge, I should know no party or faction, but represent all alike.

I look at the matter as largely a business proposition, so far as the voters are concerned, and if, in the judgment of the Republican voters, one of my opponents shall be considered as better qualified than I for the office, I shall cheerfully acquiesce in that decision. Dated, May 1st, 1914.
