## WOODMEN OF WORLD HOLD BIG MEETING

Purpose of Gathering Was to Make Preparations For Log Rolling Later in Season--Out-of-Town Visitors

The Local Camp of Woodmen of the World held a Booster meeting Friday night, the purpose of which was to outline the plans for a campaign, to end with a big Log Rolling to be held at Eugene some time in June.

District Manager, D. K. Beskey was present, accompanied by the following gentlemen from the Eugene Camp; Robt. McMurphy, Geo. E. Wood, W. M. Green, B. A. Williams, M. O. Fuller, W. W. Branstetter, every one of them a booster.

After the close of the business session a social hour was spent with refreshments, consisting of ice cream and cake, during the serving of which many good stories and talks were enjoyed.

## CANNERY WILL TAKE LATE STRAWBERRIES

The Cottage Grove cannery building is being rushed as rapidly as possible, and the board of trustees now confidently expect to be able to take care of the canning end of the present season's strawberry crop.

When one looks the matter squarely in the face, and sees how easily the thing was done, once the people got in earnest, one is surprised that this community has been producing fruit and leaving it to go to waste under the trees, growing vegetables and watching them rot in the ground for so many years--for want of a market.

### Big Event at Silk Creek School

The basket social at Silk Creek school house Friday evening was well attended, about twenty going out from town. A short program consisting of a few recitations and songs was enjoyed by the audience after which the baskets were auctioned off.

The chief feature of the evening was a large bonfire which the crowd enjoyed immensely, and after the baskets were relieved of their contents, a few games were played and a victrola furnished music.

The industrial display in the school room shows that Mr. Goddard has interested his pupils in doing excellent work. His school term closes this week.

### Program for Grange Lecture Hour.

The exercises for the lecture hour for Saturday May 16, will consist in part of subjects bearing on international peace, Monday, the 18th. being the day generally set apart as Peace Day. The program will be as follows: Piano Solo, Miss Mae Armstrong Reading, Miss Eunice VanDenburg.

Solo Miss Fay Sams Recitation, "Farmer's Girl," Miss Edna Ashby.

Song America Reading, Kipling's Recessional. General discussion, in which visitors as well as members are invited to participate, the subject being, "Is the maxim, "If you wish Peace prepare for War" wise in policy, or sound in morals? Or is it true that "Armies are the real promoters of peace?"

The new drinking fountain recently purchased by the Ladies Club, was put in place, in front of the First National Bank Saturday, by Plumber Woodruff, and will be dedicated with appropriate ceremonies.

## FIRMEN WILL HOLD FIVE DAYS CARNIVAL

Biggest Amusement Attraction Ever Brought to Cottage Grove Coming, Under Auspices of Fire Laddies

The Pollov Amusement Company's big Carnival and Street Fair attraction will come to Cottage Grove June 2, under the auspices of the Volunteer Fire Department, for a five-days stay.

This company has demonstrated in scores of towns on the Pacific Coast, as well as all over the country, that they have a line of attractions not excelled anywhere, and the Fire Boys are fortunate in securing them.

The proceeds from the big five days show will go into the Firemen's Fund of the city.

C. H. Smith, agent for the company, was in our city yesterday making the necessary arrangements for the big show.

## WILL SAIL OVER FRISCO IN AIRSHIP

How would you like to fly over San Francisco in an airship and view the great Panama-Pacific Exhibition from above? and how would you like to make a flying trip over the waters of the famous Golden Gate entrance to San Francisco bay? Wouldn't it be a thrilling experience to make such an adventure at a time when hundreds of thousands of people from every part of the world are watching you?

Well, that is just what three ladies of Lane county will have the opportunities of doing on their visit to the World's Fair in 1915, as representatives of the Leader. This novel feature will be specially arranged for with the Aero club of San Francisco, and will be only one of the many other events that the Leader offers to the successful candidates in its great offer of Three Free Trips to the Exposition.

The contestants who are working for these honors realize what a great trip it will be for them, and are going to make every day count from now until June 30, the date of closing the contest.

## STAGELAND in MOTION

ANNA LITTLE.

"THE Unopened Letter," an Edison two reeler, is an interesting domestic drama of love by Bliss Milford, released April 24.

Anna Little, famous for her portrayal of the popular western girl type, has resigned from the New York Motion Corporation's Kay-Bee and Broncho companies to appear exclusively as a Universal star. She has to her credit years of legitimate and stock experience, and outside of her portrayal of the Indian and cow-girl roles, which made her famous, she has shown her accomplishment and versatility in many diversified characters.

"Her Fighting Chance," the "Flying A" two part release of April 27, offers an unusually novel and interesting subject, with a deep human interest prevailing.

"THE UNOPENED LETTER."

Arrangements have been made with Arthur C. Alston, owner of "Tennessee's Partner," to produce this famous play in pictures. "Tennessee's Partner" was for several seasons one of the most successful of any of the plays that toured the country from coast to coast.

Under the title of "In the Footprints of Mozart" the American Film Manufacturing company will produce a two part drama visualizing the life of the famous composer.

"The Drug Traffic" (Eclair).—An exposure of the traffic in morphine, heroin, opium and the like, placed in the form of a drama which is sure to please.

"Home, Sweet Home," John Howard Paine's immortal song, is to be pictured by the first all star cast ever assembled for a motion picture production. Harry E. Aitken, president of the Mutual Film corporation of New York, conceived the idea.

"Brewster's Millions," with Edward Aheles, is now on the screen, being a five reel Lasky production.

Rex Beach's "The Spoilers" was selected to be the opening attraction at the new Strand Theater, New York city, the largest moving picture theater in America, for an indefinite run. It consists of nine reels, divided into three acts with a prologue. It is the work of the Selig company.

## ONLY TWO COUNTIES ARE AHEAD OF LANE

Lane county has a total registration of 11,655 votes, 4,190 of which are women. Only two counties in the state have a larger registration, which are Multnomah and Marion. Following is the total registration which closed May 1:

Republican	6,671
Democrat	3,001
Socialist	504
Progressive	251
Independent	360
Prohibition	629
None	187
Miscellaneous	52
Total	11,655
Women	4,190

### Eugene Adopts a New Slogan

The Eugene Commercial Club and Manufacturers' Association have adopted the new slogan—"Less high-colored literature for Eastern consumption and to boost land values, and more concentration on pay rolls and industrial development."

## TO CLASH WITH CRESWELL SUNDAY

The Cottage Grove league ball team will play the fast Creswell team next Sunday on the latter's grounds, and a large delegation of rooters will accompany the locals.

Much interest is being taken in this particular contest, as first place is at stake. If Cottage Grove wins it will put her in first place with a percentage of .833, lowering Creswell standing to .800. But if the result is visa versa the standing will remain as it is.

Another feature that is making the fans anxious will be the meeting of the two star pitchers of the league, Medley and Rankin. Neither have lost a game this season, and much rivalry exists among the fans as to which one is the better twirler. Both men have many supporters and next Sunday's game will no doubt draw out one of the largest crowds of the season.

## TWELVE INNING GAME PLAYED AT CRESWELL

One of the best games of the league was played at Creswell Sunday, when the home team there defeated Eugene in a hair-raising game of twelve innings 3 to 2, making four straight games for Creswell. Never in the history of baseball in that town has there been such a stubbornly fought contest. The score was tied in the fifth inning, two all, and from then on until the twelfth it was a pitching duel between B. Rankin and McKeivitt, the former having a shade the better of the argument. In the eleventh inning Eugene had three men on bases with no one out, and Rankin retired the side on strikeouts on ten pitched balls. McKeivitt also did some great work in the pinches.

The fielding features were great catches by outfielders McDonah and Scott, and a running catch of a foul fly by Everson, all of Creswell, and the great work at first by Roch of Eugene. The president of the League was in attendance.

The score 12 innings R H E  
Creswell ..... 3 4 4  
Eugene ..... 2 8 4  
Batteries—Rankin and Pohll; McKeivitt and Mosier. Umpire—Oakes. Struckout—By Rankin, 13; McKeivitt 11.

### Marcola Wins.

Marcola finally won a game of ball by defeating Coburg by 9 to 8 in a brilliant contest Sunday at Marcola. It required eleven innings to turn the trick, and it was done by heavy stick work. This game gave Marcola a percentage of .200.

### Owls of Springfield Will Hold Carnival.

Springfield has an exceedingly wide-awake body of men in the Nest of the Order of Owls at that place, and this order has plans already made to hold a Five-Days carnival, beginning on July 1st and holding over the Glorious 4th.

As this will probably be about the only Fourth of July celebration in the county, the Owl carnival will be one big event.

## JUNCTION CITY GOES INTO THIRD PLACE

Cottage Grove Wins Brilliant Contest Featured by Great Pitching and Terrific Hitting, 4 to 2

STANDING OF THE CLUBS		
	WON	LOST
Creswell	4	0
Cottage Grove	4	1
Junction City	2	1
Coburg	2	3
Eugene Cubs	1	3
Marcola	1	4

Cottage Grove 4, Junction 2.

That's the way the score read at the close of last Sunday's game at Stouffer's park when Medley grabbed a hot grounder and raced to first-base and made the last put-out in the 9th. inning.

The score does not half tell the tale. It was a great contest and the several hundred fans that wended their way to the ball park came away fully satisfied in their own minds that Cottage Grove has a ball team that is the class of the league, and one that will put this city on the B. B. map for keeps.

It was again a pure case of high class pitching that kept the bacon in the smoke-house. It was pitching backed up by good hitting. Medley was at his best and did some great work in the pinches. He was as cool as a cake of ice on a hot August day, and the few times he was in trouble with men on bases he closed up like a clam and pulled himself out of danger. His support was not brilliant, yet it was not ragged. Two of the hits against him were on account of slow fielding, and several errors were a demand on him for some brilliant work.

The game did not start off very encouragingly. The first man to face Medley hit the first pitched ball and put it over the right field fence for a home run. This would have taken the "ginger" out of most any twirler, but Medley grinned his usual grin and retired the next three batters in quick succession. He was never in serious trouble after that. In the 9th. inning, with two out, a bunt and an infield hit put two on, and a bad throw of the next chance let in the second and last run for the visitors. The next man up was put out at first by Medley.

Cottage Grove did great work with the stick and in most every inning had men on bases. The visiting twirler was constantly in trouble, but it must be said that he pitched some pretty ball at times. His support was weak at times and brilliant at others. He had a great change of pace and a nice assortment of curves.

The visiting shortstop carried off the fielding honors of the day. Twice he leaped into the air and pulled down terrific drives and doubled out the runners. He raced into right field territory and cut off a chance that would go for a hit nine times out of ten.

Taking the game from all view points it was good baseball, and in winning the game Cottage Grove deserves great credit and Junction City no roasting. It was one of those games where luck is liable to ebb either way.

People for miles around came in to see the game as the exhibition was well advertised. An excursion was run on the O. P. & E. railroad and quite a crowd of Row River Valley fans were in attendance.
