Mothers Day at the M. E. Church

Mother's Day was observed in the Methodist church last Sunday by using the official Mother's Day program of the church in the morning, to which many in the congregation added their personal testimonies of the value and blessings they have enjoyed because of faithful Christian mothers.

In the evening twenty young ladies in appropriate costume assisted by the pastor gave a very beautiful Cantata, "The Gates Ajar," before an audience that taxed the capacity of the church. Each part was well sustained and pleasingly rendered. The audience was delighted and showed its appreciation by making a liberal offering to the Sunday school repair fund. The church decorations were pleasing and appropriate.

Society Notes

One of the most pleasant affairs of the past week was the "Silver Tea," given by the Woman's Club, at the home of Mrs. Chas. Caldwell last Saturday afternoon. Bouquets of roses, peonies and snowballs decorated the living-rooms beautifully. Miss Gertrude Aldrich sang charmingly, and a "railroad spelling match" was the source of much amusement. Mrs. Roy Romaine won the honors as the best speller. The club ladies had each earned a dollar to add to the fund for the drinking fountain recently located in front of the First National bank, and many amusing experiences were related as to how the dollars were earned. A dainty cafeteria lunch was served by Mesdames Caldwell, Shinn, Wright and Umphrey. About forty ladies were present.

The Philathia Class met for study at the home of Mrs. A. W. Wampole Monday afternoon. Mrs. David Griggs and Mrs. J. H. Chambers read papers which were highly instructive and interesting. Mrs. A. B. Wood reviewed the work of the class, with a quiz, which everyone enjoyed. Twelve members were present.

A happy crowd of children and young people gathered at the Methodist church last Friday evening and enjoyed the annual banquet prepared for them by the officers and teachers of the school. The evening was spent in games of various kinds, and at ten o'clock refreshments were served in the dining rooms. It was a jolly crowd and they had a good time.

Suspicious Actions.

"I wish," said the head of the firm, "you'd keep an eye on the office boy."

"Very well, sir," replied the secretary. "Do you think he has been stealing postage stamps?"

"I have no idea what he has been doing, but he's up to mischief of some kind. For three mornings now he has had all my papers placed upon my desk just as they should be, with nothing to indicate that he has been reading the sporting pages. There's something very suspicious about it."—Chicago Record-Herald.

Can You Give One Reasonable Reason

IF SOMEONE should ask you to give a reason why you buy bread made in some other city, instead of buying just as good or better bread made in a home bakery, by home people, who spend their money with home merchants, rent a home building, and help support home institutions, could you give a reason that would satisfy yourself?

There are many reasons why we should patronize Cottage Grove industries, and none at all why we should go out of town to buy an article that is made here.

Monte's Cafe — Des Larzes Bros.
Short's Grocery — The Metznan Shop
Brund & Company — The West Side Grocery

handle our bread. If you want to know how good it is ask them or their customers.

Why should you sell any other? Honest, now, could you give a reasonable reason?
