Doesn't it make you exceedingly weary to hear a man who has several thousand dollars lying idle in the bank, whining about hard times? If anything in the world contributes to an undesirable financial and industrial condition, it is the man who allows his money to lie idle. It is the hustler and the spender, always, that makes business good. Out upon the man who never does anything but growl.

LOCAL NOTES

Electric fans are becoming quite fashionable in town.

Mrs. A. Brewer made a trip to Bohemia the first of the week.

Does Your Horse Kick On His FEED?

A Poorly Fed Horse

reflects discredit on its owner, but the owner gets the worst of the deal because economy in feeding the horse affects its working capacity as well as its appearance. If your horse kicks on his feed you can correct it by buying your feed here, as you get the best quality for the least outlay. Farmers, contractors and horse owners generally know that our Feed is always up to the standard.
