THE LEADER TO 1916 FOR ONLY ONE DOLLAR

We don't believe in newspaper contest wherein only a few receive the benefit of the work of many, but if there is any benefits to be derived from special inducements let all our readers share alike. A short time ago the Leader announced a "bargain week" during which time new subscribers were given the Leader for 13 months for \$1.00 and old subscribers were given a receipt for a year's extension of time for \$1.00. Many wished to take advantage of this opportunity to subscribe for the Leader or renew their subscription, but the time was so short they were unable to get into town and avail themselves of this low rate, therefore we have decided to keep this offer open until Jan. 1, 1915, to accommodate those who wish to subscribe for the Leader, or renew their subscriptions for another year. Also to accommodate those who wish to send the Leader as a Christmas present to some relative or friend for a year. Remember the price is only \$1.00 for the Leader from now until Jan. 1, 1916. This proposition positively closes Dec. 31, 1914.

Tell your neighbors about this liberal offer.

Bargain in Lumber.
