

A SONNET OF SPRING

Tis the fragrance of the flowers,
Tis the early breath of June
It's the brightness of the sunshine,
It's the silvery light of moon
All combined in KAS-PA-RILLA
In a manner that is sure,
If you take it when you're ailing,
To effect a speedy cure.

KAS-PA-RILLA

Oregon's Tribute of Health to the World

is a natural corrective of all derangements of the liver and an aid to perfect assimilation of food. Positively cures CONSTIPATION—the bane of modern civilization. Its effects, while lasting, are never pernicious, and unlike thousands of nostrums and vaunted cure-alls, its continued use is never necessary, as it creates no habit.

RHEUMATISM in its acute form is quickly relieved by the use of KAS-PA-RILLA, eliminating at once from the blood and joints, toxic salts, which nature alone cannot excrete.

World's Fair medals have been awarded us at Buffalo, Omaha and Charleston. Our success has caused unscrupulous parties to imitate Kas-pa-rilla. Your druggist should have it, and if he does not supply you promptly, write us, giving his name.

By ORDER OF COMMITTEE.

President at Cottage Grove.

Regardless of the fact that President Roosevelt's special train was scheduled to pass through this city at 5:23 Thursday morning, quite a crowd of citizens assembled at the depot with the C. M. A. band and as the train slowed up while passing the presidential party was greeted with vociferous cheering and patriotic strains from the band and were apprised of the fact that there is no want of loyalty, patriotism and enterprise on the part of the citizens of Cottage Grove.

Have you seen those fine diamonds H. C. Madsen's.

President Roosevelt extended to Hon. Binger Hermann an invitation to join his party and ride with him from Salem to Portland, an honor and pleasure of which the Republican candidate for Congress waived himself. The invitation is conclusive evidence of the kindly feeling the President entertains for Mr. Hermann and his desire for republican success in the present congressional campaign in Oregon.

Ladies and gents, fine catches at Madsen's. Cull and see them.

A Young Lady In Drain

There was a young lady in Drain
Whose face grew exceedingly plain,
She tried paints and lotions
And all kinds of notions
To bring back her beauty again

"Till a friend who had been the same way
Happened to meet the young lady
One day. "Food no more
Here's a splendid Drug Store
And they do just whatever they say"

P. S. She took the advice. Just a week ago last Wednesday she came in, has had four proposals since, and is telling all her friends of the lovely lotions, powders and perfumes at the New Era Drug Store.
