

SONNET OF SPRING

It is the fragrance of the flowers,
It is the early breath of June,
It is the brightness of the sunshine,
It is the silvery light of moon,
All combined in KAS-PA-RILLA
in a manner that is sure,
If you take it when you're ailing,
To effect a speedy cure.

KAS-PA-RILLA

Regan's Tribute of Health to the World

A natural corrective of all derange-
ments of the liver and an aid to perfect
assimilation of food. Positively cures
constipation—the bane of modern
civilization. Its effects, while lasting,
are never pernicious, and unlike thous-
ands of nostrums and vaunted cure-alls,
continued use is never necessary, as it
cannot excrete.

World's Fair medals have been award-
ed at Buffalo, Omaha and Charleston.
Success has caused unscrupulous par-
tisans to imitate Kas-pa-rilla. Your drug-
store should have it, and if he does not
apply you promptly, write us, giving his
name.

THE BIG CARNIVAL.

Just two weeks from last Wednes-
day Cottage Grove's first big
carnival will open. It is to be an
occasion for innocent amusement
harmless and pleasant recreation
time to lay aside for awhile each
the cares of business, the worry
of everyday life, the ceaseless
struggle after the big iron dollar
and devote a few hours to getting
amused with each other.

We know of one another but when
it is said, all is said. Each of us
has his or her little coterie of friends
whom we really know and because
we know them. How many more
there whom we would like as
well if we but knew them?

What we need is to extend these
friendly circles, joining two
or three together until finally there
will be but one great circle, includ-
ing the whole community. The carni-
val offers this opportunity. It gives
a common ground on which to
meet.

Pleasure knows no caste and con-
fines no distinction as to dress.
The entertainment will be clean,
wholesome and interesting. The
crowd will be as all our crowds are,
composed of all sorts of people, of
all ages, full of light jest and
merry laughter. The music, dance
and other objectionable features of
a carnival have been removed.
For the little ones it will be some-
thing never to be forgotten. A
source of delight now and hereafter,
something for memory again to re-
call and adorn with all the flowers
of childhood dreams, and the event
will be equally enjoyed by the older
ones.

Extensive Road Improvements.

Geo. O. Knowles of Bohemia and
L. W. Brown of Eugene ap-
peared before the County Court last
Thursday with a petition and
subscription asking the County
Court to appropriate \$1200 to im-
prove the road between Cottage
Grove and the Bohemia mines, on
condition that an equal sum shall be
subscribed and paid by citizens.
The request was granted to the ex-
tent of \$1000, making \$2000 for road
work if \$1000 shall be subscribed
and paid.

Wm Keys was appointed road
superintendent in place of A. S. Powell,
deceased, at Cottage Grove, by the
County Court last Thursday. —Eu-

A Young Lady In Drain

There was a young lady in Drain.
Whose face grew exceedingly plain.
She tried paint and lotions
And all kinds of notions
To bring back her beauty again
Till a friend who had been the same
Way
Happened to meet the young lady
One day.
Said she: "Food no more
Here's a splendid Drug Store
And they do just whatever they say"

P. S. She took the advice. Just a
week ago last Wednesday she came
in, having had four proposals since, and
is telling all her friends of the lovely
lotions, powders and perfumes at the
New Era Drug Store.

Blanche Johnson a close Second.

The voting contest for Carnival
Queen is waxing warm between the
supporters of the various candidates
for the royal honor and increased
interest promises to be awakened in
the contest before the polls close
next Wednesday evening, June 17th.
The vote at the last count before
going to press was as follows:

Miss Laura Spalding,	470
" Blanche Johnson,	380
" Leta Sanford,	310
" Effie Stewart,	205
" Ethel Wooley,	110
" Elsie Lea,	1

In the bicycle voting contest con-
ducted by Hal, the Healer, medicine
company, Miss Lena Frederickson
leads with 370 votes; Della Cardwell
365; Alice Wilson, 290. The con-
test closes tonight, Friday.

Free Votes for Carnival Queen.

Before the close of the contest,
voting for a Carnival Queen will no
doubt become quite spirited and
warm. The money spent for votes
cannot be said to be thrown away,
as every cent of it goes to the band
boys, and as a means of helping
them, we will buy a number of votes
to be given away to our customers
on next Monday, Tuesday and Wed-
nesday. The manner of doing this
will be as follows: We will present
to each cash customer on those
days one vote for each 20 cents of
his or her purchase. The number
of votes to be given away limited
only to the amount of your pur-
chase. Thus we will be actually do-
nating to the band boys five per
cent of our sales for that day. You
may cast the votes for any one you
may see fit, as it is immaterial to us
who shall reign as Queen, our only
desire is to help the band boys. See
our big ad for other information.
