Great Men and Great Pianos.

President Roosevelt has just bought a fine Knabe piano, and the late vice-president Hobart has at his residence a fine NEEDHAM, such as we are selling every day, right here at the Grove, and since the good judgement of Roosevelt we have secured the agency for the Knabe and the J. & C. Fischer. These three all world-renowned pianos, of the highest standard. We have also in transit a lot of those medium pianos for which the people are paying all the way from $275.00 to 300 00 and even more. We are going to offer the same grade for $150.00, $175.00 and $200.00. These figures will surprise those who have been buying those so-called high-grade pianos. Besides this lot we will have the genuine CABLE piano and not the Hobert M. Cable. It will pay you to see this line before buying a piano.
