

GOING OUT OF BUSINESS

This is an announcement contemplated for sometime, but just now settled definitely. Conditions are such that we find that it will be to our interest to retire from the mercantile business. This is no scheme to reduce stock or dispose of certain lines of goods which are nearly unsaleable, but is a bona fide closing out sale, and the entire stock will be sacrificed at actual cost, and in some instances at less than cost. Nothing is reserved. Our reputation is such that the public can absolutely depend on this statement as a fact. The stock must be closed out by January 1st next, and you will readily see that we must do some great slaughtering of prices to accomplish this end. No such opportunity to secure bargains has ever before been offered buyers here, and will not likely be offered again soon. Better come early and make your purchases at once. Every article in our entire and large stock of :: :: :: :: :: :: ::

Dry Goods, Clothing, Boots, Shoes and Furnishings

is included in this sale. If you hesitate it will certainly be a "Lost Opportunity." Low prices will move the goods.
