Foot Ball Game.

Saturday, Oct. 31st at 3:15 p. m. a game of foot ball will be played at the grounds in this city between the high school team of this place and the Eugene high school team.

This promises to be one of the best games of the season as Eugene is the team that defeated Cottage Grove last year and the Cottage Grove team is expected to return the compliment this time. Let everybody be in attendance to help defray the expenses of the game. The Cottage Grove team is in a class shape and under the direction of coach "Buck" Starr, will make good showing. Admission 25c.

The game played last Saturday between the Cottage Grove high school team and the Drain Normal school resulted in an easy victory for the home team, the score resulting 20-0.

A Big Potato Crop.

Conner finished digging his potato crop last Saturday reports a fine yield, of unusual excellence. From a well cultivated and favorably located five acre tract, secured about 1500 bushels of class tubulars, many bushels of which were engaged in advance by merchants and mill companies at a vicinity at 60 cents per bushel. With 5000 bushels of oats, 2000 bushels of wheat, several hundred bushels of hay and 1500 bushels of Burdock potatoes the season might be considered a bountiful one for the Conner and sons. They make promising pay good dividends.

Settled With Creditors.

The Morning Oregonian of last Saturday in Portland city news says: "The involuntary bankruptcy proceedings against H. H. Brookes, proprietor of the ROSEBURG PLAINDEALER, have been settled by mutual consent. D. Fenton represented Mr. Brookes and Dolph, Mallory, Simon and Guerin the creditors. The basis of settlement of all claims was as follows: Secured creditors to be paid in full and the unsecured creditors 45 cents on the dollar cash, the balance of the plant, which is first-class, unincumbered.

A Fine Improvement.

Dr. Schleef has a large force of carpenters at work enlarging his office and hospital building on Main street at the east end of the bridge. The building will be almost doubled in dimensions by the new addition and will be modernized and built up in first class style.

FEMALE WEAKNESS

542 1-2 Congress St. PORTLAND, MAINE, Oct. 17, 1902. I consider Wine of Cardui superior to any doctor's medicine I ever used and I know whereof I speak. I suffered for nine months with suppressed menstruation which completely prostrated me. Pains would shoot through my back and sides and I would have blinding headaches. My limbs would swell up and I would feel so weak I could not stand up. I naturally felt discouraged for I seemed to be beyond the help of physicians, but Wine of Cardui came as a God-send to me. I felt a change for the better within a week. After nineteen days treatment I menstruated without suffering the agonies I usually did and soon became regular and without pain. Wine of Cardui is simply wonderful and I wish that all suffering women knew of its good qualities.

Wilhelmina Snow Treasurer, Portland Economic League

Periodical headaches tell of female weakness. Wine of Cardui cures permanently nineteen out of every twenty cases of irregular menses, bearing down pains or any female weakness. If you are discouraged and doctors have failed, that is the best reason in the world you should try Wine of Cardui now. Remember that headaches mean female weakness. Secure a \$1.00 bottle of Wine of Cardui today.
