

THE PEOPLE ARE FLOCKING TO OUR STORE

Eager to Secure a Share of the Closing Out Bargains

Probably no announcement ever made in the mercantile circles of Cottage Grove has ever been received with as widespread attention, as our "going out of business" announcement: We expected that there would be "something doing" around our store, but were surprised, and agreeably so, too, that the people were so quick to appreciate a good thing: The response was instantaneous and our store has since been thronged with bargain buyers who are spending their money to good advantage.

Our stock was probably the largest in town and it will take some time to clean it out, yet if you want to share with the general public in the splendid bargains to be had here, we would advise you to come right along and make your selections before the stock gets too low: Remember that this is really and truly a closing out sale and no part of the stock is immune from the : : **SLAUGHTER PRICES** which are the main feature of this sale : :
