The Remedy

She was a good woman, he loved her. She was his wife. The pie was good—his wife made it—he ate it. But the pie disagreed with him and he disagreed with his wife. Found a remedy and is happy, so is his wife, and to find that he could have any prescription filled that he would bring in.

Of all the companies on the road this season, none have given better satisfaction than the 4 Georges Co. The Eastern press is unanimous in stating there are no better artists in the business. Their object is to amuse and this they certainly do. The 4 Georges give a refined entertainment, amusing to both young and old. To see them makes you forget the "cares that infest the day" and you go home happy. Their performance consists of high class comedy interspersed with music, songs and "up to date" specialties.
Hamilton Veatch of Creswell, made the LEADER a visit late last week. He says many large real estate transactions are being made in his vicinity the purchasers being new comers who are principally in quest of hop lands, many of whom will engage in hop growing extensively. One prominent hop grower near Creswell was recently offered a fabulous price for his hop farm but refused it. It seems to be the general impression that an Oregon hop yard is going to be a mighty good investment for the next ten years or more.
Hon. R. M. Veatch was in town this morning from Cottage Grove. He is in receipt of much encouragement from all parts of the district in his candidacy for congressman. By the election of Mr. Veatch to congress the people of this district will be well and ably represented. He has had a great deal of experience in public affairs and his influence would be felt early in his term. Although he has held many public positions his record is clean, and he has always been a worker in the interests of the people.—Roseburg Review.

Although only last July birds it is evident that they mean to be on hand early in the season with their broods. The game warden will soon have quite a pheasantry.

P. teams of this city and Eugene, by which time the home team will have its second wind and will show the county seat Knights some real base ball, and some stunts that will surprise them.
