Born, to the wife of Tom Parker,
 May 8th, 1904, a daughter. While
 kneading bread, doughnuts and pas-
 tries at the bakery, Tom can now be
 heard singing, "Just one Girl." He
 is a very proud father.

When we hear of a man saying that
 there is not a virtuous woman living,
 we either think that he has been as-
 sociated with a very low class of
 women or hasn't sense enough to
 tell a good woman from a bad one.

We challenge any one to detect the
 slightest adulteration in the Washing-
 ton ice cream. We guarantee that it
 contains absolutely nothing but sugar,
 extract and pure cream. You will
 find that it does not leave that dis-
 agreeable starchy taste in your mouth
 that the majority of cream does.

Mrs. Job, wife of Dr. B. R. Job,

Rev. I. Putman is doing excellent
 work on his large circuit tributary to
 this city. On the 3rd inst. services
 were held at Blue mountain school
 house, and a class was organized, and
 on last Sunday four new accessions
 were made to the M. E. church at Lo-
 rane, the baptismal rites being per-
 formed by Rev. Putman. The congrega-
 tions are large and the interest is
 reported good, at most all appoint-
 ments over this large circuit. About
 fifty-five have made a start in Chris-
 tian life since Rev. Putman assumed
 this work.

The teachers' Annual County Insti-

 13th, 1904. An interesting program
 was carried out.

All of the teachers in the Cottage
 Grove public school and a majority
 of the teachers of the outlying dis-
 tricts are in attendance at the county
 institute and the students of these
 schools are enjoying a brief vacation.

One of the catchy and entertaining
 features of the Steel & Freeland Com-
 pany's entertainment is the up-to-date
 eon songs by their special rag-time
 artist, at the opera house next Mon-
 day and Tuesday. Admission, 15, 25

 political differences, and furnishes a

 the rural voters.

Sunday was a dry day in Junction.
 Both saloons were closed, and for the
 past few days no games of chance
 have been operated there. This re-
 sult has been brought about by the

 official capacity he is carrying out the
 letter of the law.

Chas. Beldier arrived at this place
 from Oakland, the first of the week to
 visit with the family of his uncle Ira
 Conner. He has decided to remain
 here and take the place of his brother
 Ira, who spent the past winter in as-
 sisting his uncle in farm work. Ira
 Beldier returned to his home in the
 Calapooia valley, near Oakland,
 Thursday.

Ira Conner is building a large com-
 modious residence and barn on the
 Yancy farm which he purchased last
 fall. G. O. McGillvray's superintend-

 residence of E. C. Conner on the Mut-
 ter place, which he purchased last fall.
 Both of these places are being well
 improved.

The recital given by Elmore Rice,
 Violinist, at the opera house last
 Wednesday evening was surely the
 great event of the season. Mr. Rice
 delighted a large and appreciative
 audience by his remarkable playing.
 He rendered the most difficult classi-
 cal music with the ease, grace and ex-
 pression which stamps him as an ar-
 tist of rare ability.

The program of the Four Georges
 Company Tuesday night at the opera
 house was divided into two spasms.
 The first spasm was taken up with
 the presentation of the comedy, "A
 Trip on the Suburban" and the last
 spasm with another comedy in one
 act, "The Irishman's Pipe Dream."
 Between spasms musical specialties
 were introduced of a highly entertain-
 ing order. Marion George is a violin
 artist of rare ability, while Katharine,
 her sister, proved the most wonderful
 contortionist that ever visited this
 city, and her Parisian skirt dances
 were stunning. The four sisters and
 their little brother rendered some fine
 brass band music, the lad playing
 solo cornet.

A Good Show Coming.

The celebrated Steel & Free-
 land moving picture illustrated con-
 cert, formerly with the W. O. W.,
 will return to Cottage Grove for a
 two nights engagement Monday
 and Tuesday May 16th and 17th,
 at the opera house.

This is a clean high class enter-
 tainment of unusual merit, which
 you cannot well afford to miss.

Of its appearance in Portland the
 Morning Oregonian of February 23,
 1904 said: The moving picture
 illustrated concert given by Steel
 & Freeland at Taylor street Church
 last evening, was a pronounced suc-
 cess. For the third time during the
 last year this entertainment has pack-
 ed the church to the doors, and on
 both former occasions the expres-
 sions of appreciation were many and
 enthusiastic. The moving pictures
 were even better and more realistic
 than on the two former occasions.

"The trip to the Moon and "Life
 of an American Fireman" received
 especial praise. A particularly
 noticeable feature of the moving
 pictures was the entire absence of
 the glimmering and hazy appear-
 ance so common with other moving
 picture machines. The colored
 scenes of California, Florida and
 Columbia River as well as the views
 of the cities and cathedrals of
 Europe, were especially pleasing
 and equal to months of travel and
 sight seeing. The vocal solos and
 duets by Messrs. C. E. Freeland
 and F. D. Confer, illustrated by
 many views, met the approval of a
 large audience.

 day nights May 16th 17th admis-
