FEMALE WEAKNESS

521-2 Congress St. PORTLAND, MAINE, Oct. 17, 1902. I consider Wine of Cardui superior to any doctor's medicine I ever used and I know whereof I speak. I suffered for nine months with suppressed menstruation which completely prostrated me. Pains would shoot through my back and sides and I would have blinding headaches. My limbs would swell up and I would feel so weak I could not stand up. I naturally felt discouraged for I seemed to be beyond the help of physicians, but Wine of Cardui came as a God-send to me. I felt a change for the better within a week. After nineteen days treatment I manifested without suffering the regular monthly flow. Wine of Cardui is simply wonderful and I wish that all suffering women knew of its good qualities.

Wine of Cardui is a Sore Throat, Fortified Economic League

Periodical headaches tell of female weakness. Wine of Cardui cures permanently nineteen out of every twenty cases of irregular menses, bearing down pains or any female weakness. If you are discouraged and doctors have failed, that is the best reason in the world you should try Wine of Cardui now. Remember that headaches mean female weakness. Secure a \$1.00 bottle of Wine of Cardui today.

New Brick Hotel.

It is stated upon seemingly good authority that a large modern brick hotel will be built in Cottage Grove this season, with accommodations adequate to the demand of the traveling public and mining operators, many of the latter directing their mining operations in Bohemia at present from Portland owing to the fact that suitable hotel quarters cannot be secured at this place. Our local hotels are as good and as well conducted as any hotels of their class in the state, but are not large enough, or equipped on a plan to meet all demands made upon them here at the present time. A large, modern, well equipped hotel would prove a profitable investment in this city. This proposition has been under consideration since last summer and bids fair to materialize at an early date.

A Roseburg man, G. W. White by name, has sued John Attwell, now of Stevenson, Wash., for \$10,000 as the value he places upon his wife's affections, and which affections the complainant alleges, Attwell appropriated as his own. The estimate is no doubt too high by four figures.

A mass meeting was held at Grants Pass one day last week and a committee was appointed to notify the Southern Pacific Company and all other companies or private parties that might be concerned to immediately discharge all Chinese or other foreign laborers employed by them in Josephine county. The action is brought about, it is said, by the importation of a gang of Chinese to work at the railroad gravel pits in that vicinity, and the Chinamen have since been removed, the Observer says.
