### FEMALE WEAKNESS

5421-2 Congress St. FORDLAND, MAINE, Oct. 17, 1902. I consider Wine of Cardui superior to any doctor's medicine I ever used and I know whereof I speak. I suffered for nine months with aggravated menstruation which completely prostrated me. Pains would shoot through my back and sides and I would have blinding headaches. My limbs would swell up and I would feel so weak I could not stand up. I naturally felt discouraged for I seemed to be beyond the help of physicians, but Wine of Cardui came as a God-send to me. I felt a change for the better within a week. After nineteen days treatment I menstruated without suffering the agonies I usually did and soon became regular and without pain. Wine of Cardui is simply wonderful and I wish that all suffering women knew of its good qualities.

Withelmia Swann  
Treasurer, Portland Economic League

Periodical headaches tell of female weakness. Wine of Cardui cures permanently nineteen out of every twenty cases of irregular menstruation, bearing down pains or any female weakness. If you are discouraged and doctors have failed, that is the best reason in the world why you should try Wine of Cardui now. Remember that headaches mean female weakness. Secure a \$1.00 bottle of Wine of Cardui today.

All arrangements have been made for the baseball game today between teams from the Eugene and Cottage Grove lodges of Knight of Pythias.

The game will be played on the league grounds at Eugene. It promises to be an interesting one, and while not as scientific as the games played by the league teams, the spectators are promised plenty of amusement. The admission will be free.

In the evening the Eugene lodge will give a banquet to the visiting team. The game resulted 10 to 4 in favor of Eugene.

#### Notice.

Whereas, one Tom Gardiner of London, Oregon, has circulated a report that I agreed to work for one A. Lieveling, of Shoestring, Oregon, for one dollar and a half per day at carpenter work, for the purpose of securing the job away from him which, I declare, is entirely false; and I will further say to any man who calls himself a carpenter or any kind of a workman, that A. Lieveling's place is a good place to keep away from, if he cares anything about his reputation.
