Excursion to the Circus.

Special excursion rates on all lines of travel have been arranged for by the management of Ringling Bros' World's Greatest Shows, and those who wish to go to Eugene where this great circus exhibits Friday, Sept. 2nd, can do so at a very little expense. This will be the only point in this vicinity where the show will exhibit this season, and no one should miss the opportunity to witness it. Ringling Brothers' circus has been the leading arena exhibition of America for years, but the show has never been permitted to rest upon its reputation. Although it long ago passed the point of competition, every season sees a greater and grander show. This year's performance is entirely new, and entails the combined efforts of 375 wonderful artists in the equestrian, gymnastic, acrobatic and aerial line together with forty famous clowns and hundreds of lesser lights. Six hundred and fifty horses are used and a marvelous trained animal department is presented. This circus this season is greatly enlarged by the spectacular production of Jerusalem and the Crusades, a pantomimic presentation of the well known and beautiful historical narrative of the Crusaders. The vast menagerie has among hundreds of features the only living giraffes, the first baby elephant successfully bred and reared in America, and the only rhinoceros in captivity. There is a gorgeous revival of the Roman hippodrome races, and many other stupendous features in this great circus. Circus day opens with a brilliant street parade, three miles in length. Don't fail to see it.

Campfire and Picnic.

For some weeks the old soldiers, the Womens Relief Corps and their friends had anticipated having a good time at the picnic and camp fire to be held at the Long and Bingham grove on Saturday, Aug. 13th and when the day arrived they were in no wise disappointed.

The day was one of the warmest of the season and every one who could leave business was glad to seek the shelter of the groves, and a large number repaired to the meeting place loaded with baskets of choice edibles.

The order to fall in and consume the "dinner" was obeyed to the letter by all, following which there were songs, recitations and speeches.

Mrs. Thompson read a selection appropriate to the occasion; Song, Marching Through Georgia; an interesting talk on "Our Country" by Prof. Kendall; National Hymn by all.

Rev. Gardner, an old soldier, gave a very interesting talk on the subject of our "Country and the Flag."

The Star Spangled Banner was then sung after which such stories as the old comrades can tell, were told by Comrades Griffin, McReynolds and others. There was in fact a general good time throughout the day and the old "boys" appreciated the efforts of the Corps and other friends in giving them such a pleasant time.
