When the windows of the millinery stores are washed and dressed with the latest Paris fashions it is a sure sign that spring is coming fast. And it will be in style also.

Piper & VanDenBurg have a very neat show window in their hardware store. It shows a settler's cabin and clearing, with a windmill in operation. It is the handiwork of Andy Nelson.

The good book says that the way of the transgressor is hard and the truth of this old adage is proven every day, but with not such vengeance as in the case of George Mason, colored, who was arrested in Portland this week for blowing open safes. In the past three weeks he blew open five safes, which netted him less than \$20. He has confessed and as the penalty is from eight to ten years in the penitentiary he will have time to repent and ponder over this old saying.

# LA GRIPPE — PNEUMONIA

So many people who have apparently recovered from an attack of La Grippe are stricken with Pneumonia. This is due to the fact that the Bronchial Tubes and Lungs are left weakened and unable to resist disease.

# FOLEY'S HONEY AND TAR

not only cures La Grippe Coughs, and prevents Pneumonia, but strengthens the Lungs so they will not be susceptible to the development of serious lung troubles. Do not take chances with some unknown preparation that may contain some harmful drug when FOLEY'S HONEY AND TAR costs you no more and is safe and sure. Contains no opiates.

I had a bad case of La Grippe about ten years ago which left my Lungs so weak that I have been troubled more or less every winter since until I used FOLEY'S HONEY AND TAR, which cured me completely and my Lungs no longer trouble me.—J. H. BROWNING, D. D. S., Orrick, Mo.

G. VACHER, 187 Grand St., Chicago, says: "My wife had a very severe case of La Grippe, and it left her with a very bad cough. She tried a bottle of FOLEY'S HONEY AND TAR and it gave immediate relief."

Three sizes—25c, 50c, \$1.00. The 50-cent size contains two and one half times as much as the small size and the \$1.00 bottle almost six times as much. Refuse Substitutes.
