John W Baker, says if the republicans elect the next legislature he wants to be assistant janitor at the capitol during the session.

It is reported that the dog belonging to Mr E King was also afflicted with the measles while he and his family were down with the disease. This reminds us that two years ago when the diphtheria was raging at this place it was claimed by many that several cats died of diphtheria and others were killed by their owners because of symptoms shown of the disease.

Parents and young people should remember that it frequently occurs that "Music is father and mother sweetheart and fame, and sometimes bread." Mrs L D Beck.

Young Murry Wade, of Salem was sentenced to ninety days imprisonment in the circuit court Tuesday Wade laid in wait and stabbed a young man who was accompanying a young lady with whom he (Wade) was in love, to her home a few months since. The assaulted party recovered.

NEW WARE HOUSE.—Wheeler and Scott started the workmen upon the foundation for their new implement warehouse, Thursday morning. The warehouse will be 24 by 40 ft, two stories high and will make a valuable addition to their growing business.

WRECKING ACCIDENT.—The Guard says that word was received at Eugene Tuesday, that a young man by the name of Julian, an employee of the Booth-Kelly Company at that place was the unlucky recipient, of a severe accident, Tuesday. He was caught in the shafting of the mill in some way and terribly bruised and mangled.

HOUSE MOVING.—Wheeler & Scott are moving the house formerly known as the Mosby residence on third street in the north end of town to the property recently bought of A W Wallace, at the south end of fifth street, a distance of nearly 1/2 mile. C A VanFleet has the contract of moving the building. Considering the amount of mud to be traversed it will be a nice job.

ROBBERY AT CRESWELL.—Valkmore's drug store was entered by house breakers Thursday night about 9 o'clock. Entrance was effected by removing a couple of panes of glass. The thieves obtained cigars, patent medicines and other of value. The proprietor and his family were attending Washington's birthday exercises by school pupils at the time of robbery.

A reward of \$25 for apprehension of the culprit or culprits has been offered. It is believed to have been the work of local talent.

SUSPECTED POISONING.—COTTON GRIFIN, Sheriff Withers, and deputy prosecuting attorney L T Harris and Dr Paine were called to Walterville with the intention of exhuming the body of a dead woman to ascertain the cause of death. The woman's life was insured and reports were circulated on the streets of Eugene that the husband had poisoned her. It is not generally believed however to be true.

DEATH FROM MEASLES.—Ellen, the 15-year-old daughter, and the 6-months-old son of Mr and Mrs E A Swatman, of Creswell, died at the family home in that town Sunday from measles. This family has been afflicted with this malady for some time and just last week two other members of the family died from it as was chronicled in last weeks LEADER. At one time the father and mother and their six children were confined to their bed with the disease. And it is reported that the other two children are not expected to live. It is seldom that the measles appear in such virulent form and result so seriously. The Swatman family is indeed very unfortunate in this respect.
