Job Work

At this Office.

The LEADER has made arrangements with Wm. J. Bryan to club with the "Commoner." Mr. Bryan's new weekly paper, which was launched upon the journalistic sea, on January 23, at Lincoln, Nebraska. We believe Mr. Bryan's venture into newspaperdom will be a successful one and we predict he will have a half million subscribers within a year. The subscription price of the "Commoner" will be \$1.00 per year; that of the LEADER \$1.50 per year, invariably in advance. Now for our offer. To all subscribers who will avail themselves of this opportunity within the next thirty days we will give a year's subscription to the LEADER and the "Commoner" for \$2.10.

Mr. Bryan wishes us to state for the protection of all subscribers that traveling agents will not be employed in soliciting subscriptions for his paper.

And still another batch of British has been captured by the exterminated Boers.

O yes, the United States will give Cuba her independence—done up in red tape, with the long end of it held in Washington.

Secretary Root is going to Manila and Corbin is going with him. What new affliction will next be visited upon the unfortunate Filipinos?

Funston's plan for capturing Aguinaldo was one of the sort that most people could have found nothing too bad to say about, if it had not succeeded.

The people are promised a statement of the financial condition of the town in our next issue and you must not be surprised if the city is in debt a couple of thousand.

Well it's all settled. Sampson will get about \$3,000 more prize money for letting Schley destroy Cervera's fleet than Dewey got for destroying that Montezuma at Manila.

It is perhaps out of place to remark that the Nebraska republicans after turning down a number of men with only moderate sacks, elected two bank presidents to the United States Senate, but we can't help doing it.

A dispatch says that a would-be assassin fired at the Russian Privy Counsellor Pobiedonostzeff the other day and missed him, name name and all. That fellow could not hit a barn and he deserves the severest punishment.

Recent elections in Chicago, St. Louis, Kansas City and other large cities of the Middle West, indicate very clearly a change in public sentiment favorable to Democracy. They also show the trend of public opinion is away from the money question and is centering condemnation upon trusts and monopolies. The people are beginning to wake up to the necessities of their true situation. That a hurricane is coming which will sweep the gigantic trust, evil out of existence, or at least wash away its sandy foundation, the excessive high tariff system, we haven't the slightest doubt. The trust and tariff questions are Siamese twins and one cannot exist without the other. The evil is a gigantic one and sooner or later will destroy competition and wreck the nation. "Equal rights to all and special privileges to none," must be the democratic watchword if any great degree of success is attained. No other cry will rally to the democratic standard a united and enthusiastic democracy. The trust question with its kindred evils is the all absorbing topic of the day. All others are as pygmies when compared to it. It affects every man, woman and child, and makes life a burden almost too heavy for nine out of every ten men to bear. Imperialism and the gold standard will die for want of nourishment when the people have shaken off from their shoulders the mighty grip of corporations and blood-sucking trusts.

INDIGESTION

If you have it, you know it. You know all about the heavy feeling in the stomach, the formation of gas, the nausea, sick headache, and general weakness of the whole body.

You can't have it a week without your blood being impure and your nerves all exhausted. There's just one remedy for you—

Ayer's Sarsaparilla

There's nothing new about it. Your grandparents took it. 'Twas an old Sarsaparilla before other sarsaparillas were known. It made the word "Sarsaparilla" famous over the whole world.

There's no other sarsaparilla like it. In age and power to cure it's "The leader of them all."

\$1.00 a bottle. All druggists.

Ayer's Pills cure constipation.

"After suffering terribly I was induced to try your Sarsaparilla. I took three bottles and now feel like a new man. I would advise all my fellow creatures to try this medicine, for it has stood the test of time and its curative power cannot be excelled."

L. D. Goss, Brownstown, Va. Jan. 30, 1899.

Write the Doctor.

If you have any complaint whatever and desire the best medical advice you can possibly receive, write the doctor freely. You will receive a prompt reply, without cost. Address: Dr. J. C. Ayer, Lowell, Mass.

It is hard to discuss the appointment of Ex-Representative Rodenburg, of Illinois, to a post on the civil service commission, without losing one's temper. Mr. Rodenburg is a sworn enemy to civil service reform, having voted less than a year ago to destroy the entire system.

Your Face

Shows the state of your feelings and the state of your health as well. Impure blood makes itself apparent in a pale and sallow complexion, Pimples and Skin Eruptions. If you are feeling weak and worn out and do not have a healthy appearance, you should try Ayer's Blood Elixir. It cures all blood diseases where cheap Sarsaparillas and so called purifiers fail: knowing this, we sell every bottle on a positive guarantee.

Greatest of All

"Every one in San Antonio, Texas, says that Ayer's English Remedy is the greatest thing ever put up for coughs, colds, asthma, bronchitis, croup and consumption. I have been using it over four

years for all forms of throat and lung troubles, and have yet to come across a case where it failed. We have four little ones in our family, and neither my wife nor I have ever lost a night's sleep because of throat troubles among the children. I guess that is more than any other family can say. Ayer's English Remedy is just as effective for grown-up people as for the young. It seems to go straight to the place where the trouble lies in the throat and bronchial tubes and lungs. It soothes and heals the irritated tissues, loosens up the phlegm and mucus in the breathing passages, quiets the nerves, invigorates the constitution and stops the coughing. My advice to parents is to always keep a bottle in the house. It will be a constant safeguard against croup." (Signed) F. G. ZIMMERMAN, San Antonio, Tex.

Sold at 50c. per bottle, throughout the United States and Canada; and in England, at 1s. 6d. per bottle. If you are not satisfied after trying, return the bottle to your druggist and get your money back. We authorize the above guarantee.

W. H. HOOKER & CO., Proprietors, New York.

There is a suspicion of a joke in Russia's reply to Great Britain on the subject of Manchuria—that the Czar merely intends to hold it until order has been restored, just as the British hold Egypt until a similarly delightful time.

Experience is the Best Teacher. Use Ayer's English Remedy in any case of coughs, colds or croup. Should it fail to give immediate relief, money refunded, 25 and 50 cts. For sale by all Druggists.

After all that has been said about the educational qualification ballot law in Maryland, it merely prescribes that voters must mark their own ballots without assistance and does not require examination into the abilities of the voter. Isn't that terrible?

Perhaps some idea may be obtained of the size of the big steel trust combination when the fact is mentioned that its capitalization is larger than the bonded indebtedness of the United States.
