

**Notice to Taxpayers.**

The 1900 assessment rolls are now open for the payment of Taxes.  
W W WILKINS, Sheriff of Lane County, Ore.

A largely signed petition has been filed with Governor Geer, asking a pardon for Hugh Patterson, of Albany who is serving a sentence of five years for rape committed in Douglas county on the person of Winnie Thorn, of Cottage Grove. Among the other petitioners are seven of the jurymen who convicted Patterson. The young man was an S P freight brakeman and the crime was alleged to have been committed on a train between Cottage Grove and Roseburg. The hearing before the governor will be had on May

There will be a base ball game Sunday on the Stouffer grounds between the Bohemians and C M A teams. Game will be called at 2 p m Every body invited.

RICH STRIKE.—Two more rich strikes have been reported this week in the Vessuvius mine. Mr R D Whipple who returned home from the mines the first of the week reports that they have uncovered an extremely rich chute of ore and that the boys while not making a great do over it are jubilant.

BURNED DOWNS.—About 8 o'clock Friday evening April 19th. The old residence of Scott Chrisman near Dorena, occupied by Joe Cole, burned to the ground.

It seems that one of the boys on going up stairs accidentally set fire to a row of grain sacks which soon became a blaze. It spread so fast that all efforts failed to extinguish the flames. No one was seriously hurt and the family succeeded in saving nearly all of the household goods.

SUPPLIES MOVING.—Frank Jordan started workmen and supplies into the mines the middle of this week and active development will commence on their property on the Champion trail at once. This is but the beginning of what is hoped to be an extensive operation. Supplies have begun to move toward Bohemia already a d though the snow is not all gone it shows a tendency to begin early this season.

NEW FIRM.—Hon Jas Hemenway has purchased the interest of Mr Newland in the firm of Garman & Newland, Mr Newland retiring. The new firm will continue business at the old stand under the name of Garman & Hemenway. Mr Hemenway thought a while of locating at Seattle but after making a few trips there decided that Cottage Grove offered just as good opportunities. Hence the present deal is consummated. Mr Newland and family have made many friends here who will miss them should he decide to move away. We hope however that he will also conclude Cottage Grove is good enough for him.

**DIED.**

LEE—Willie the youngest son of Mr and Mrs Benjamin Lee at their home at Lorane, Or April 23 1901 aged 1 year 7 months 29.

His illness was of short duration and his sudden death has been a terrible shock to his loving parents. Only a few short months was he permitted to live, yet how much happiness he brought into the lives of those about him. Yet God in his infinite wisdom knew what was best, hence he has taken little Willie to himself to dwell forever more in that beautiful land. The enternent took place at the I O O F cemetery in the presence of a host of sympathizing friends.

"Angels call the little darling,  
Called thee in thy early bloom;  
Now thy little form is lying  
In the cold and silent tomb;  
Small white hands are gently folded,  
Quiet now thy dainty feet,  
Brightest eyes are closed forever,  
Gone the smiles that were so sweet  
Gone the call the little darling,  
From all care and pain away  
To the realms of joy eternal,  
To that land of perfect day,  
We will miss thee, Oh! so sadly:  
No sweet Willie now to kiss,  
But we'll meet thee, little darling,  
In that land of perfect bliss.  
M. E. I.
