

New Sidewalk.—The Baker property on Front Street has been treated to a brand new sidewalk which is a joy to pedestrians of that part of the city.

This is a prosperity item, \$33200.00 in mortgages was filed in Clerk Lee's office Wednesday of last week.

STREET WORK.—Geo Lea has a small force of men at work on the streets again, which will be augmented as soon as the weather settles when his contract of street grading will be speedily finished. At present teams are very scarce and the hauling of crushed rock will be somewhat retarded for a short time. But Mr Lea expects to finish the job at an early date.

NEW CROSSING.—A new street crossing has been put in at the depot this week which adds to the convenience of the public in no small degree, and Contractor Lea has been repairing the street gutters, leveling them up from the disturbed condition in which they were left by the high waters last winter and although the streets are beginning to have a neater appearance. Let the good work go on.

IO OF SOCIAL.—Last Friday evening the Odd Fellows and Rebeccas gave an entertainment and social at Masonic Hall in honor of their 82nd anniversary at which a large number of invited guests were present. A very excellent program, consisting of select readings, vocal and instrumental music all of which was well received and highly appreciated. A beautiful luncheon was served to all present and a general good time was the result. The Odd Fellows lodge in this city has a number of enthusiastic workers and the organization ranks first in point of members among the secret organizations of Cottage Grove. Long may they wave.

SOLD OUT.—Mrs E. Wall and Sons have sold their elegant stock of general merchandise to Mr R W Newland formerly of the firm of Garman and Newland, this week. Mr Newland, took charge of the business on Wednesday and will cater to the wants of the public as sole proprietor. Mr Newland is well known here and is an experienced business man and we are glad that he has permanently located here.

ANNIVERSARY SERMON.—Rev C H Wallace preached the anniversary sermon for the Odd Fellows at the C P Church Sunday to a packed house. The members of the Rebeccas, and Odd Fellows lodge attended in a body wearing full regalia and are to be complimented upon their appearance. Rev Wallace gave an excellent sermon using the Good Samaritan as a text and his subject "Love" was instructive and skillfully handled throughout. The services were interesting and the Rev gentleman displays an energy and adaptation to pulpit efforts that would be a credit to many of his younger brother ministers.

MUSICAL RECITAL.—Tuesday evening Mrs L D Beck's class in music gave a public recital before a large number of the parents and friends of the class who were invited to be present. Mrs Beck has a class of over twenty pupils of whose progress she is justly proud. The recital proved a veritable high class entertainment and was a source of pleasure to the invited guests present. The numbers rendered by the members of the class were of a high order of music, many of them composed by such well known masters as Sartorio, Engel, Klein and Behr and were executed in a style and manner that would be a credit to older pupils. We refrain from special comment further than to say the outlook for advanced music and accomplished pianists in Cottage Grove was never brighter. All who attended the recital feel that Mrs Beck is doing some fine work in the music line for the young folks of our city and another feast of like nature will be looked forward to with pleasure and it is safe to say the parsonage will not hold the people who come to hear her next recital.
