

**TO PREVENT DECAY**

Wood Preserver Used by Uncle Sam's on Yamhill River Work.

Merits of Avenarius Carbolinum Recognized by National, State and Municipal Governments.

The fame of Avenarius Carbolinum has steadily extended as the only bona fide preserver of wood, since its discovery in Germany thirty years ago. It has stood all tests of climate soil and water and steadily lived down all pretended rivals. Today it is not only employed in all countries for the preservation of wood used for household articles articles such as houses, barns, fences etc, but the national government, both of Europe and America, have recognized its value in saving public constructions from decay. Following their example cities and counties have also adopted Avenarius carbolinum for bridges pavements etc, and the leading ship builders and railroad companies have shown their faith in its merits by treating ship timbers, cars, telegraph poles and ties with the same never failing preventative against climatic decay and repacious wood boring vermin both of land and water.

Great bodies move slowly and act after mature deliberation. It may therefore be safely stated that governments and corporations did not employ Avenarius carbolinum until fully convinced of its money saving as well as wood preserving qualities. Private individuals desirous of lengthening the life of wood work and at the same time curtailing expense, need not fear to follow the precedents established.

With such examples before them it would appear that the individual is foolish and the official almost culpable who does not protect his own or the taxpayer's pockets by using this compound thus saving from decay, and lengthening the life of all frame structures for which he is individually or officially responsible.

Fisher Thorsen & Co of Portland Or, are sole Pacific coast agents for Avenarius carbolinum, and it can be found at J P Currin's, Cottage Grove, who will gladly supply information regarding its accomplishments.

**Consumption**

is, by no means, the dreadful disease it is thought to be—in the beginning.

It can always be stopped—in the beginning. The trouble is: you don't know you've got it; you don't believe it; you won't believe it—till you are forced to. Then it is dangerous.

Don't be afraid; but attend to it quick—you can do it yourself and at home.

Take Scott's Emulsion of Cod Liver Oil, and live carefully every way.

This is sound doctrine, whatever you may think or be told; and, if heeded, will save life.

If you have not tried it, send for free sample, its agreeable taste will surprise you.

The weather during the last week has been more favorable for the growth of vegetation, notwithstanding the abnormally low temperatures that have prevailed in nearly all sections of the State. Owing to an excess of cloudiness, the day temperatures have averaged from 4 to 8 degrees below the normal in the western section and from 1 to 4 degrees below in the eastern section.

The maximum temperatures in western Oregon ranged between 54 and 70 degrees and the minimum temperatures between 38 and 50 degrees. In eastern Oregon the maximum temperatures ranged between 52 and 70, degrees and the minimum temperatures between 36 and 50 degrees.

Copious showers occurred in all districts during the early part of the week, being heaviest in the southern and eastern counties.

As a result of the rains, crops in general made rapid advancement, but warmer weather and more rain are needed to bring vegetation up to its usual state at this season of the year.

Fall wheat, rye and oats are in excellent condition and have a good, healthy color. There are no complaints of damage from insects pests, except in a few scattered sections of Morrow county, where wire worms are reported as having caused slight damage.

Spring-sown grain is stooling well and in some localities has appeared above the ground.

Oats are nearly all sown. Hops have made satisfactory advancement during the week, except on high ground, where the growth has been rather slow. The crop has a healthy color and is remarkably free from lice. The training of the vines practically finished in all of the large yards. There are a few complaints of missing hills, but the correspondents are of the opinion that these will come up with the advent of warm, sunny weather. Spring seeding is nearly completed.

"I recall now with horror" says Mail Carrier Burnett Mann, of Levanna O, my three years of suffering from Kidney trouble. I was hardly ever free from dull headaches or pains in my back. To stoop or lift mail sacks made me groan. I felt tired, worn out about ready to give up, when I began to use Electric Bitters, but six bottles completely cured me and made me feel like a new man. They're unrivaled to regulate Stomach, Liver, Kidneys and Bowels. Perfect satisfaction guaranteed by J P Currin. Only 50 cents.

The Great Scurge of modern times is consumption. Many cures and discoveries from time to time are published but FOLEY'S HONEY AND TAR does truthfully claim to cure all cases in the early stages and always affords comfort and relief in the very worst cases. Take no substitutes. New Era Drug Store.

The greater skin specialist in America originated the formula for BANNER SALVE. For all skin diseases, all cuts or sores, and for piles, it's the most healing medicine. Beware of substitutes.

Received this week at Cumming's Golden rule store, a large assortment of the great favorite: Postum, Caramel and Fig prune Cereals, Grape nuts and Granola.

"I had a running sore on my breast for over a year" says Henry R Richards, of Wilkesville, N. Y., and tried a great many remedies but got no relief until I used BANNER SALVE. After using one-half box, I was perfectly cured. I cannot recommend it too highly.

Sick Headache Absolutely and Permanently cured by using Meiki Tea. A pleasant herb drink. Cures constipation and indigestion, makes you eat, sleep work and happy. Satisfaction guaranteed or money back. 25cts and 50cts. For sale by all Druggists.

Thomas Maple, Birkbeck, Ill writes: "I had a very bad case of kidney trouble and my back pained me so I could not straighten up. The doctor's treatment did me no good. Saw FOLEY'S KIDNEY CURE advertised and took one bottle which cured me and I have not been affected since. I gladly recommended this remedy. New Era Drug Store.
