Junior Picnic.—The children of the C P Junior endeavor society accompanied by their superintendent, Mrs Sadie Downing and a few older ones held a very pleasant picnic in the Gowdy Grove, just west of town last Friday. The little folks are reported to have enjoyed themselves immensely, as did also the older ones. A short program, dinner and a number of innocent games afterward completed the day's recreation. All report a fine time.

Friday afternoon Mr J W Gowdy took his stepson, Guy Van Riper to the Good Samaritan Hospital in Portland for treatment. Guy has been quite ill for several months and it was thought best to move him to Portland where better facilities could be afforded for treatment. A letter from Mr Gowdy states that an operation was performed upon Guy early in the week but without success except as to demonstrating the character of the disease, another one will be necessary before any hopes of relief can be entertained. The disease is an affection of the spine. Guy has wonderful grit and courage and we hope to hear of his further improvement.

A large number of friends of the Misses Neva Perkins and Mary Jurrin were invited to spend the evening at a poverty lawn social which was held in the little Grove at the skating pond, east of town, last Tuesday evening. The grounds were decorated with Chinese lanterns and flowers, and a large bonfire was kept burning all evening. A large open swing and the boat owned by Mr Harry Brehaut were greatly enjoyed by all. One of the most interesting features of the evening was the trading of packages, each person took a package of old worn out articles and kept trading them until a signal to stop was given, the packages when opened generally proved "bells" but all enjoyed their presents and many will keep them as mementos of the occasion. The evening was spent in playing games, singing, boat riding and swinging. A late hour refreshments were served, then all went to Miss Neva's home and enjoyed piano and violin music by Miss Neva and Mr Erwin.

Those present were: Misses Lulu Jurrin, Ehrmine Veatch, Grace Omonway, Elsie Lea, Luise, Lucy and Laura Newland, Hattie and Izzie Orpurd, Gertrude and Nettie Ordick, Dessa and Orpha Harms, My Atkins, Lillian Heart, Blanche Johnson, Edna Martin, Cleo Lewis, Ethel Woolley, Nova Perkins and Ary Carrin; Messrs Leston Lewis Harry Brehaut, Earnest Younger, Ike Knox, Art Young, Bert Lawson, Jess Griffin Roy Hemenway, Winters Wallace, Erwin Lea, Johnny Veatch, Horace Harms Winfield Kennett, Frank White and Arch Conley.
