CROSS-BREEDING.

Within the past few years, an ap-
 preciation of scientific work in
 agricultural pursuits has increased
 until only in the most segregated
 districts does the old-time disdain
 of thorough investigation along new
 lines prevail. The agricultural
 colleges and experiment stations
 have accomplished thing and results
 count wherever they are obtained.
 In the current number of the Inde-
 pendent, attention is paid to certain
 improvements that have been made
 and are about to be made by ex-
 periments. Every one has heard
 of the Burbank potatoes, yet prob-
 ably few know that its superior
 qualities are the result of several
 years of patient cross-breeding on
 Mr Burbank's immense farm near
 Santa Rosa, California.

Mr Burbank has several hundred
 acres devoted to the propagation of
 new varieties of fruits and vegetables.
 Recently he has sent out new
 varieties of plums procured by
 crossing Japanese and native plums.
 He has also secured a cross between
 an apricot and a Japanese plum,
 which he calls a plumcot. The
 flavor is said to be particularly
 agreeable. Another creation is a
 peach in which the object has been
 to combine size, quality, hardness
 and beauty.

Probably if Commissioner Evans
 had made rulings that would have
 involved the paying out of the
 \$5,468,505.89. unexpended balance
 of the \$144,000,000 appropriated by
 Congress for pensions which he has
 turned back into the Treasury, the
 Treasury, the ring of pension sharks
 would have been less persistent in
 their demands for a new Commission-
 er of Pensions.

 man of Salisbury, Mo., writes: "I
 wish to say for the benefit of others,
 that I was a sufferer from lumbago
 and kidney troubles, and all the
 remedies I took gave me no relief. I
 was induced to try Foley's Kidney
 Cure, and after the use of three bottles
 I am cured. New Era Drug Store."

**Acker's
 Saved Her Life**

"About two miles from Vassar, Mich.,
 where I keep a drug store, lives Mrs. T. M.
 Pratt. She was very
 sick and hopeless
 with consumption.
 I watched her case
 with interest after
 she began taking
 Acker's English
 Remedy for Con-
 sumption, because
 I had heard so
 much about its
 wonderful
 cures. Well,
 sir, perhaps
 you will
 doubt it, but
 with my own
 eyes I saw this woman get well and strong
 on that remedy. In a very short time the
 cough stopped, her lungs were healed up,
 the soreness went away, and she began tak-
 ing on flesh. She herself said: 'Mr. Bullard,
 I owe my life to Acker's English Remedy.
 It is a certain cure.' In Mrs. Pratt's
 neighborhood her recovery has occasioned
 much comment as you can easily under-
 stand. Her case was one where everybody
 thought it was only a question of a little
 while until she would die. I feel it a duty
 as a druggist to write this letter, so that there
 need be no more deaths from consumption."
 (Signed) E. A. BULLARD, Vassar, Mich.

Sold at 25c, 50c, and \$1 a bottle, throughout
 the United States and Canada; and in Eng-
 land, at 1s, 2s, 3s, 4s, 6s. If you are not
 satisfied after buying, return the bottle to
 your druggist, and get your money back.
 We authorize the above accounts.

 reminds us of the Irish Sexton who
 had been burying the dead in a
 certain church yard for forty years.
 When asked how he liked his job
 remarked; "faith an' if I could only
 live long enough I'd be willin' to
 bury them all without chargin' a
 devil of a cent, but the more I bury,
 the faster they come and me life is
 becoming a torment."
