Let's go swimming.

"You may begin firing when you are ready" Maclay.—Secy Long.

Has the fight between labor and capital commenced? and if so what will be the end?

Nesley often wonders how on earth Captain Carter come to be convicted?

Secretary Long may find that there is a wide difference between reading proofs and furnishing proofs.

Military rule has been reestablished in four of the eleven large islands of the Philippines. Yet the war is over!

There is close competition between gun accidents now. Kelly accidents with the mills slightly in the lead.

Now why doesn't Secretary Long have Maclay's head put on that West Indies medal? To do so would be eminently appropriate.

Don't forget to go out to the polls Monday and vote for bonds. If you do we are liable to be a "dry town" in real earnest before the rains set in.

Last week, according to official reports, Britain expended nearly eight million dollars on the war and captured 24 Boers. Keep it up John Bull.

Last Sunday we began to think we had blowed about the weather a little too much as some thermometers in town registered from 102 to 108 in the shade.

Of course, Mr Morgan finds nothing to arbitrate at present. After he has disposed of his stock on hand at increased prices, he may change his mind on the subject.

Who would have been blamed if Gervera had escaped? Schley, most certainly! Then who should be praised when he was destroyed? Why, Sampson, of course!

City bonds of Cottage Grove are at a premium—\$400 premium has been offered on the \$15,000, besides all expenses of issuing and legal work. That speaks well for Cottage Grove and shows it is a live town.

There is a Class of People.

Who are injured by the use of coffee. Recently there has been placed in all the grocery stores a new food drink called GRAN-O, made of pure grains, that take the place of coffee. The most delicate stomach receives it without distress, and but few can tell it from coffee. It does not cost over 1/4 as much. Children may drink it with great benefit. 15c and 25c per package. Try it. Ask for GRAN-O.

Crop Bulletin.

The past week in Oregon has been the warmest of the season and it averaged nearly 6 degrees warmer than the previous one. Numerous small showers occurred in Southern Oregon during the first days of the week, but they were not general or heavy enough to be of much benefit, and no rain of consequence has fallen elsewhere since the latter part of June. General rains are now badly needed for corn, hops, potatoes gardens and pastures. The second crop of alfalfa is being cut in southern Oregon, and the yields are about the average. The second crop of clover in the Willamette valley is not as promising as usual, on account of dry weather.

The grain harvest is well advanced, but thrashing in the western section has not yet become general, although well begun east of the Cascade mountains. The following thrashing yields have been reported: Washington county, wheat, 22 bushels; oats, 30. Linn county, wheat, 12 to 30 bushels; winter oats, 20 bushels, and 1 acre of barley threshed 75 bushels. Douglas Co, wheat, 6 to 30 bushels; oats 40. Jackson Co, wheat 12 bushels; oats, 25; barley, 30. Wasco Co wheat 30 to 40 bushels; Sherman Co, volunteer wheat, 12 to 20 bushels; fall wheat 15 to 25; Umatilla Co, wheat, 35 to 40 bushels, and some fields have threshed 55 bushels; spring barley, 40 bushels to 70; oats about 50; spring wheat, from 18 to 20. The wheat crop in Umatilla county is turning out much better than expected and the grading will be good.

Some lice are reported in the hop yards, but they are not causing any damage of consequence and the weather is unfavorable for the spread of this pest, and the hop outlook continues favorable. Corn is making good progress and early potatoes are maturing rapidly. The potato crop, although needing rain, is doing fairly well and there are no complaints of blight. Pasturage is getting poor, and there is a slight shrinkage in the milk supply reported from Curry and Coos Counties.

Edward Hass, a well known business man of Salisbury, Mo, writes: "I wish to say for the benefit of others, that I was a sufferer from lumbago and kidney troubles, and all the remedies I took gave me no relief. I was induced to try FOLEY'S KIDNEY CURE, and after the use of three bottles I am cured. New Era Drug Store."

Coated

Look at your tongue. Is it coated?

Then you have a bad taste in your mouth every morning. Your appetite is poor, and food distresses you. You have frequent headaches and are often dizzy. Your stomach is weak and your bowels are always constipated.

There's an old and reliable cure:

Don't take a cathartic dose and then stop. Better take a laxative dose each night, just enough to cause one good free movement the day following.

You feel better the very next day. Your appetite returns, your dyspepsia is cured, your headaches pass away, your tongue clears up, your liver acts well, and your bowels no longer give you trouble.

Price, 25 cents. All druggists.

"I have taken Aker's Pills for 25 years, and I consider them the best made. One pill does me more good than half a box of any other kind I have ever tried."

Greatest of All

"Every one in San Antonio, Texas, says that Aker's English Remedy is the greatest thing ever put up for coughs, colds, asthma, bronchitis, croup and consumption. I have been using it over four

years for all forms of throat and lung troubles, and have yet to come across a case where it failed. We have four little ones in our family, and neither my wife nor I have ever lost a night's sleep because of throat troubles among the children. I guess that is more than any other family can say. Aker's English Remedy is just as effective for grown-up people as for the young. It seems to go straight to the place where the trouble lies in the throat and bronchial tubes and lungs. It soothes and heals the irritated tissues, loosens up the phlegm and mucus in the breathing passages, quiets the nerves, invigorates the constitution and stops the coughing. My advice to parents is to always keep a bottle in the house. It will be a constant safeguard against croup." (Signed) F. G. ZIMMERMAN, San Antonio, Tex.

Sold at 75c, 50c, and 25c a bottle, throughout the United States and Canada, and in England, at 1s. 6d., 1s. 3d., and 1s. 1d. If you are not satisfied after buying, return the bottle to your druggist and get your money back.

W. H. HOOKER & CO., Proprietors, New York.

Apparently authentic rumors are prevailing in Europe that Russia and Germany will join hands to stop the South African war unless it is ended by next Spring. Let us hope that the Boers can hold out that long.

P. T. Thomas, Sumpterville, Ala., "I was suffering from dyspepsia when I commenced taking Kodol Dyspepsia Cure, I took several bottles and digest anything. Kodol Dyspepsia Cure is the only preparation containing all the natural digestive fluids. It gives weak stomachs entire rest, restoring their natural condition. Benson Drug Company."

The Guard says a scorching fender bicyclist ran down and severely injured a little girl, and then didn't have manhood enough to stop and pick the child up or see how badly she was injured. It is a pity such fellows could not be forced to put in the summer wearing a ball and chain on the streets instead of roving around loose.

The Great Scourge modern times is consumption. Many cures and discoveries from time to time are published but FOLEY'S HONEY AND TAR does truthfully claim to cure all cases in the early stages and always affords comfort and relief in the very worst cases. Take no substitutes. New Era Drug Store.

Lane County's usual crop of gun accidents has started in with good prospects of an average harvest. Recently a lady, in Eugene, while setting a gopher gun, got her face badly powder burned by the accidental discharge of the weapon, and now comes a fellow, at Crow post office, who shoots a hole through the big toe of a friend with a Colt's didn't know-it-was-loaded pistol.

In cases of cough or croup give the one One Minute Cough Cure. Then rest easy and have no fear. The child will be all right in a little while. It never fails. Pleasant to take, always safe, sure and almost instantaneous in effect. Benson Drug Co.
