

The Home Gold Cure.

An Ingenious Treatment By which Drunkards are Being Cured Daily In Spite of Themselves.

No Noxious Diseases, No Weakness of the Nerves, A Pleasant Positive Cure for Liquor Habit.

It is not generally known and understood that Drunkenness is a disease and not weakness. A body filled with poison, and nerves completely shattered by periodical or constant use of intoxicating liquors, requires an antidote capable of neutralizing and eradicating this poison, and destroying the craving for intoxicants. Sufferers may now cure themselves at home without publicity or loss of time from business by this wonderful "HOME GOLD CURE" which has been prepared after many years of close study and treatment of inebriates. The faithful use according to directions of this wonderful discovery is positively guaranteed to cure the most obstinate case, no matter how hard a drinker. Our records show the marvelous transformation of thousands of drunkards into sober, industrious and upright men.

WIVES CURE YOUR HUSBANDS!! CHILDREN CURE YOUR FATHERS!! This remedy is in no sense a nostrum but is a specific for this disease only, and is so skillfully devised and prepared that it is thoroughly soluble and pleasant to the taste, so that it can be given in a cup of tea or coffee without the knowledge of the person taking it. Thousands of Drunkards have cured themselves with this priceless remedy and as many more have cured and made temperate men by having the "CURE" administered by loving friends and relatives without their knowledge in tea or coffee and believe today that they discontinued drinking of their own free will, no more wait. Do not be deluded by apparent and misleading "improvement." Drive out the disease at once and for all time. The "HOME GOLD CURE" is sold at the extremely low price of One Dollar, thus placing within reach of everybody a treatment more effective than others costing \$25 to \$50. Full directions accompany each package. Special advice by skilled physicians when requested without extra charge. Sent prepaid to any part of the world on receipt of One Dollar. Address Dept. ES93 EDWIN B. GILES & COMPANY, 2330 and 2332 Market Street, Philadelphia. All correspondence strictly confidential.

The Oregon State Fair at Salem, September 23rd to 29th, 1901, inclusive, promises to be the best this year that has yet been held. New features for amusement and instruction have been added, and particular attention will be given to the Stock Exhibit, owing to the great and constantly increasing interest in dairying through the state. For this occasion the Southern Pacific Company will make a rate of one fare for the round trip from all its stations in Oregon to Salem and return, and it is to be hoped that every one who can do so will show their appreciation by taking advantage of this opportunity to pass a few days pleasantly and profitably at our State Capitol.

Crop Bulletin.

Light showers occurred generally throughout the State on Wednesday. They were not sufficiently heavy to materially improve late crops, nor did they interfere with hop picking or prune gathering. More rain is needed for pastures. Frosts have occurred during the week in many parts of the State, but they were not severe enough to do any damage of consequence. The wheat harvest is practically finished and threshing is mostly done. The yield has been very satisfactory. Fall seeding has begun on summer fallowed land in the Willamette valley and eastern Oregon. In the Willamette valley this land is in excellent condition for seeding.

Hop picking will be about completed by the end of the week. The weather has been very favorable for this work and the crop will be secured in excellent condition. There are no complaints of lice or mold but the yield is below expectation and will not be more than one-fourth as much as last year.

Potatoes, although of excellent quality and free from blight will be a light crop. The late rains have not been sufficient to materially improve their condition, and the crop is now too far advanced to be helped even if abundant rains should occur this week. Pastures are unusually short for this season of the year and stock is falling off in flesh, and there has been a considerable shrinkage in the milk supply in the dairy districts.

Prune drying has commenced and a fair crop of prunes will be harvested. The Italians are ripening slowly, but they promise to be of superior quality, although rather smaller than usual. A fair crop of apples and pears is slowly ripening, and the early varieties are being marketed.

Consumption Threatened. C Unger, 212 Maple St, Champaign, Ill, writes I was troubled with a hacking Cough for a year and I thought I had consumption. I tried a great many remedies and was under the care of physicians for several months. I used one bottle of FOLEY'S HONEY AND TAR. It cured me, and I have not been troubled since. "The Best Is The Cheapest." Not how cheap, but how good, is the question.

The TWICE-A-WEEK REPUBLIC is not as cheap as are some so called newspapers. But it is as cheap as it is possible to sell a first-class newspaper. If you read it all the year round, you are posted on all the important and interesting affairs of the world. It prints all the news worth printing. It is the best and most reliable newspaper that money and brain can produce—and those should be the distinguishing traits of the newspaper that is designed to be read by all members of the family.

Subscription price, \$1 a year. Any newsdealer, newspaper or post master will receive your subscription or you may mail it direct to

Gratitude

Always seeks to find some expression for itself, and womanly gratitude will not keep silence. Cynical people sometimes say Why do women write these testimonials to the value of Dr. Pierce's Favorite Prescription? The answer can be put in one word, Gratitude. When, after years of agony a woman is freed from pain, when the weak woman is made strong and the sick woman well, the natural impulse is to write a word of grateful thanks for the medicine which caused the cure.

Dr. Pierce's Favorite Prescription cures diseases peculiar to women. It establishes regularity, stops weakening drains, heals inflammation and ulceration and cures female weakness.

"Having used Dr. Pierce's Favorite Prescription and 'Golden Medical Discovery' during the past year," writes Mrs. Mattie Long, of Platts Valley, Perry Co., Pa. "I can truthfully recommend the medicine for all female weaknesses. I have used several bottles of 'Favorite Prescription' which I consider a great blessing to weak women. I was so nervous and discouraged, that I hardly knew what to do. Your kind advice for home treatment helped me wonderfully. Thanks to Dr. Pierce."

Doctor Pierce's Pleasant Pellets cure biliousness, and sick headache. They should be used in connection with "Favorite Prescription," whenever the use of a laxative is indicated.

United States Official Report

MADE TO

commissioner of the United States,

General Land Office, Washington D C.

by a Geologist and Mining Expert of world-wide reputation, Professor Benjamin H. Hillman who spent several months there then being connected with the United States Surveying Corps and in his official report says:

"HERE ARE COUNTLESS MILLIONS OF TONS OF RICH GOLD QUARTZ reduced by the great forces of nature to a condition ready to the application of the hydraulic process while the entire bed of the Rio Grande for 40 miles is a sluice on the bars of which the gold derived from the wearing away of the gravel banks has been accumulating for countless ages and now lies ready for extraction by the most approved methods of river mining. THE THICKNESS OF THE RIO GRANDE GOLD GRAVEL EXCEEDS IN MANY PLACES 600 FEET OR NEARLY THREE TIMES THAT OF THE LIKE REELS IN CALIFORNIA WHILE THE AVERAGE VALUE PER CUBIC YARD IS BELIEVED TO BE GREATER IN THE NEW MEXICO BEDS THAN IN ANY OTHER SUCH ACCUMULATIONS YET DISCOVERED."

I have made a reconnaissance of the whole of this gravel along the Rio Grande and have examined with all the care possible in the time at my command the character of the gravel and its contents of gold. NOTHING I AM PERSUADED SINCE THE DISCOVERY OF CALIFORNIA AND AUSTRALIA, IS COMPARABLE FOR ITS MEASURABLE RESOURCES OF GOLD AVAILABLE by the hydraulic process to the deep placers of the Rio Grande."

Other reports from eminent mining experts of national reputation pronounce the property of this Company the richest and most extensive known.
