

The Home Gold Cure.

An Ingenious Treatment By which Drunkards are Being Cured Daily In Spite of Themselves.

No Noxious Diseases, No Weakness of the Nerves. A Pleasant Positive Cure for Liquor Habit.

It is not generally known and understood that Drunkenness is a disease and not weakness. A body filled with poison, and nerves completely shattered by periodical or constant use of intoxicating liquors, requires an antidote capable of neutralizing and eradicating this poison, and destroying the craving for intoxicants. Sufferers may now cure themselves at home without publicity or loss of time from business by this wonderful "HOME GOLD CURE" which has been prepared after many years of close study and treatment of inebriates. The faithful use according to directions of this wonderful discovery is positively guaranteed to cure the most obstinate case, no matter how hard a drinker. Our records show the marvelous transformation of thousands of Drunkards into sober, industrious and upright men.

WIVES CURE YOUR HUSBANDS!! CHILDREN CURE YOUR FATHERS!! This remedy is in no sense a nostrum but is a specific for this disease only, and is so skillfully devised and prepared that it is thoroughly soluble and pleasant to the taste, so that it can be given in a cup of tea or coffee without the knowledge of the person taking it. Thousands of Drunkards have cured themselves with this priceless remedy and as many more have cured and made temperate men by having the "HOME GOLD CURE" administered by loving friends and relatives without their knowledge in tea or coffee and believe today that they discontinued drinking of their own free will. Do not wait. Do not be deluded by apparent and misleading "improvement." Drive out the disease at once and for all time. The "HOME GOLD CURE" is sold at the extremely low price of One Dollar, thus placing within reach of everybody a treatment more effectual than others costing \$25 to \$50. Full directions accompany each package. Special advice by skilled physicians when requested without extra charge. Sent prepaid to any part of the world on receipt of One Dollar. Address Dept. E893 EDWIN B. GILES & COMPANY, 2330 and 2332 Market Street, Philadelphia. All correspondence strictly confidential.

Many physicians are now prescribing Kodol Dyspepsia Cure regularly having found that it is the best prescription they can write because it is the one preparation which contains the elements necessary to digest not only some kinds of food but all kind and it therefore cures indigestion and dyspepsia no matter what its cause. Benson Drug Co.

Eggs of late have been scarce, and several carloads have been sent from the East, but none of them have come here so far as known. With eggs at 25 cents a dozen in Portland and 16 cents per dozen in Chicago, there is a good margin for importers. After harvest the output of eggs always increases, and it is said that there will be more chickens engaged in laying eggs in this section this Fall than ever before. It is highly desirable that Oregon should produce enough eggs and butter for home consumption, at least.

TO THE PUBLIC.—Having just completed a course of instructions in the Prof Rogers system of tinting, we are prepared to do the most beautiful work known to our profession. This work is excellent. Call and see our samples. F J Taylor.

Crop Bulletin.

Good rains fell in all parts of the State on the 21st and 22nd. In the Willamette Valley and Coast districts averaged about 2.00 inches in depth, while in the eastern portions of the state they amounted to less than an inch. These rains do great good in reviving pastures, in softening up the soil for fall plowing and in putting out forest fires and clearing the air of smoke.

Hops were nearly all picked before the rain began. In last week's report it was stated that the hop yield was below expectations and that it would not be more than one-fourth as much as last year. The returns received this week led to the belief that the Oregon hop yield will be a little less than three-fourths of as large a crop as that gathered last year.

Corn and potatoes are being harvested and the yields are light. The third crop of alfalfa has been cut and housed. Pastures have been much improved by the rains and stock is gaining flesh.

Prune picking is well advanced and a large portion of the crop was secured before the rains began. A fair crop of apples, pears and peaches are being marketed.

Norris Silver, North Sartford, N. H. I purchased a bottle of One Minute Cough Cure when suffering with a cough doctors told me was incurable. One bottle relieved me, the second and third almost cured. To-Day I am a well man. Benson Drug Co.

Consumption Threatened.

C Unger, 212 Maple St, Champaign, Ill, writes I was troubled with a hacking Cough for a year and I thought I had consumption. I tried a great many remedies and was under the care of physicians for several months. I used one bottle of FOLEY'S HONEY AND TAR. It cured me, and I have not been troubled since. "The Best Is The Cheapest." Not how cheap, but how good, is the question.

THE TWICE-A-WEEK REPUBLIC is not as cheap as are some so called newspapers. But it is as cheap as it is possible to sell a first-class newspaper. If you read it all the year round, you are posted on all the important and interesting affairs of the world. It prints all the news worth printing. It is the best and most reliable newspaper that money and brain can produce—and those should be the distinguishing traits of the newspaper that is designed to be read by all members of the family.

Subscription price, \$1 a year. Any newsdealer, newspaper or post master will receive your subscription or you may mail it direct to

A Lady's Lunch

Has been rudely defined by some cynic as "slops and sweets." And after all there's more truth than poetry in the definition. Ice cream and cake may satisfy the palate, but they are far from satisfying to the stomach, which requires that food be nutritious first and nice afterward. By careless eating women pave the way for stomach "trouble," and its kindred miseries.

Dr. Pierce's Golden Medical Discovery is confidently commended as a cure for diseases of the stomach and other organs of digestion and nutrition. By curing diseases which prevent the assimilation of food it enables the body to be built up and strengthened in the only way known to nature—by food digested and assimilated.

"For twelve long months I suffered untold misery," writes Mrs. Mollie Colgate, of Randolph, Charlotte Co., Va. "No tongue could express the pain that I endured before I commenced taking Dr. Pierce's medicine. I was not able to do anything at all. Could not eat anything except bread and tea—or if I did the top of my head hurt so it seemed it would kill me, with all that I could do it would burn like fire. But now, since using your 'Golden Medical Discovery' and 'Favorite Prescription,' I can eat a little of almost anything I want, and can do a good day's work as well as anybody can. Am better than I have been for years."

United States official Report

MADE TO

commissioner of the United States,
General Land Office, Washington D. C.

by a Geologist and Mining Expert of world-wide reputation, Professor Benjamin Silliman who spent several months there then being connected with the United States Surveying Corps and in his official report says:

"HERE ARE COUNTLESS MILLIONS OF TONS OF RICH GOLD QUARTZ reduced by the great forces of nature to a condition ready for the application of the hydraulic process while the entire bed of the Rio Grande for 10 miles is a sluice on the bars of which the gold derived from the wearing away of the gravel banks has been accumulating for countless ages and now lies ready for extraction by the most approved methods of river mining. THE THICKNESS OF THE RIO GRANDE GOLD GRAVEL EXCEEDS IN MANY PLACES 600 FEET OR NEARLY THREE TIMES THAT OF THE LIKE BEDS IN CALIFORNIA WHILE THE AVERAGE VALUE PER CUBIC YARD IS BELIEVED TO BE GREATER IN THE NEW MEXICO BEDS THAN IN ANY OTHER SUCH ACCUMULATIONS YET DISCOVERED. I have made a reconnaissance of the whole of this gravel along the Rio Grande and have examined with all the care possible in the time at my command the character of the gravel and its contents of gold. NOTHING I AM PERSUADED SINCE THE DISCOVERY OF CALIFORNIA AND AUSTRALIA, IS COMPARABLE FOR ITS MEASURABLE RESOURCES OF GOLD AVAILABLE by the hydraulic process to the deep placers of the Rio Grande."

Other reports from eminent mining experts of national reputation pronounce the property of this Company the richest and most extensive known.
