And Still the War is Over.

MANILLA, Sept 30.—Saturday forenoon Company C Ninth Infantry, U S A, was attacked by insurgents on the Island of Samar. Company C lost 48 killed and 11 wounded. The fighting was desperate and the Filipinos shot accurately. It was impossible to tell their loss as they carried away their dead.

CANTON, Ohio, Sept 30.—Unknown men attacked the guards at ex President McKinley's tomb last night but were driven away. It is the firm belief that their intention was to blow up the tomb. There were five or six of the attacking party and they were armed. The guards at the tomb were greatly surprised.

[Later dispatches say that the above is pure canard and that there is no evidence to show that anyone tried to blow up the vault or even approach it. It was believed that a soldier fell off the vault in a drunken stupor and accidentally discharged his gun, then made up the yarn out of whole cloth to cover up his faults.]

DURBAN, Sept 30.—General Botha with fifteen hundred men attacked Portiela, Thursday, but after a desperate struggle were finally repulsed. The garrison lost eleven killed, fifteen wounded, and sixty three missing. Only twenty Burgers killed.

Roseburg, Sept. 30.—The dining car Yosemite was robbed of its cash box, containing \$400 in money and the conductor's watch and chair, while sidetracked here last night waiting to be taken south on the morning's overland. Entrance to the car was made through the rear door, and the robbery effected while the conductor and porter were sleeping. No clue has yet been found.

"I had long suffered from indigestion," writes G A LeDels, Cadiz City, Mo. "Like others I tried many preparations but never found anything that did me good until I took Kodol Dyspepsia Cure. One bottle cured me. A friend who had suffered similarly I put on the use of Kodol Dyspepsia Cure. He is gaining fast and will soon be able to work. Before using Kodol Dyspepsia Cure indigestion had made him a total wreck. Benson Drug Co.

Clay Vilas, who has been spending the summer near Portland, returned to Cottage Grove, Wednesday night. He is looking much better than when he left.

Wallace Sanford, who has been located for several months at Monroe, Oregon, has returned to the Grove and opened up a jewelry repair shop in the Walker building near the depot. Wallace says Cottage Grove isn't in it with Monroe --for dead.

ESTATE DIVIDED.—The Cochran heirs have mutually divided up the Robt Cochran estate and farm. Mrs S E Cochran keeps the property on the west side of the river as her life dower. The part lying on the east side of the river and adjoining town has been divided into equal parts of about 25 acres each. These pieces of land were drawn by chance among the heirs and separate deeds have been made out. The heirs are John, Rufus, Chas and Horace, Mrs L D Scarbrough and Mrs May Rice. Mrs Rice drew the most valuable piece of land lying next to the city limits. The heirs deserve much credit in settling up and dividing this valuable property among themselves without the least friction or ill will being manifested.

Here and There.

JAIL BREAK.—Tuesday night three of the four jail birds confined in the county lock-up at Eugene dug a small hole through the wall and made good their escape. They were permitted to enjoy the unrestricted use of the corridor, and while Deputy Brown went to supper, removed the ventilator and with a small stick dug a hole through the thin brick wall remaining and crawled through the opening; they then climbed over the high picket fence and made their escape. The prisoners have not been heard from as yet. Sheriff Withers is in Washington and Deputy Fisk is in Nebraska.

ROR.—The Register prints a lot of rot Wednesday in its editorial columns about the alleged attempt to blow up McKinley's tomb notwithstanding the telegraphic dispatches in Tuesday's Oregonian plainly announced the story a fake.

Lewis Ockerman, Goshen, Ind: DeWitt's Little Early riser never bend me double like other pills. But be their work thoroughly and make me feel like a boy." Certain through, gentle. Benson Drug Co.

It will no doubt seem a little funny to many of Lane County's taxpayers to learn that three of the prisoners confined in the new jail at Eugene escaped Tuesday night. But such is the fact according to the Eugene Register. \$12,000 is a pile of money to build a jail with that can hold the county's prisoners. Of course its nobody's fault.

The casket containing the body of Abraham Lincoln was opened last Thursday, for the first time in fourteen years. Many people who knew him in life looked on his face again, and for the last time. It was said to be as white as chalk. The object in opening the casket was to identify the body before removal to its last resting place in the new vault in the Lincoln monument at Springfield, Ill.

"Something New Under The Sun"

All Doctors have tried to cure CATARRH by the use of powder, acid gases, inhalers and drugs in paste form. Their powders dry up the mucous membranes causing them to crack open and bleed. The powerful acids used in the inhalers have eaten away the same membranes that their makers have aimed to cure, while pastes and ointments cannot reach the disease. An old and experienced practitioner who has for many years made a close study and specialty of the treatment of CATARRH, has at last perfected a treatment which when faithfully used not only relieves a once, but permanently cures CATARRH by removing the cause, stopping the discharges, and curing all inflammation.
