

The Home Gold Cure.

An Ingenious Treatment By which Drunkards are Being Cured Daily in Spite of Themselves.

No Noxious Diseases, No Weakness of the Nerves, A Pleasant Positive Cure for Liquor Habit.

It is not generally known and understood that Drunkenness is a disease and not weakness. A body filled with poison, and nerves completely shattered by periodical or constant use of intoxicating liquors, requires an antidote capable of neutralizing and eradicating this poison and destroying the craving for intoxicants. Sufferers may now cure themselves at home without publicity or loss of time from business by this wonderful "HOME GOLD CURE" which has been prepared after many years of close study and treatment of inebriates. The faithful use according to directions of this wonderful discovery is positively guaranteed to cure the most obstinate case, no matter how hard a drinker. Our records show the marvelous transformation of thousands of Drunkards into sober, industrious and upright men.

WIVES CURE YOUR HUSBANDS!! CHILDREN CURE YOUR FATHERS!! This remedy is in no sense a nostrum but is a specifically devised and prepared that it is thoroughly reliable and pleasant to the taste, so that it can be given in a cup of tea or coffee without the knowledge of the person taking it. Thousands of Drunkards have cured themselves with this priceless remedy and as many more have cured and made temperate men by having the "HOME GOLD CURE" administered by loving friends and relatives without their knowledge in tea or coffee and believe today that they discontinued drinking of their own free will, do not wait. Do not be deluded by apparent and misleading "improvement." Drive out the disease at once and for all time. The "HOME GOLD CURE" is sold at the extremely low price of One Dollar, thus placing within reach of everybody a treatment more effective than others costing \$25 to \$50. Full directions accompany each package. Special advice by skilled physicians when requested without extra charge. Sent prepaid to any part of the world on receipt of One Dollar. Address Dept. TO PREVENT DECAY

Wood Preserver Used by Uncle Sam's on Yamhill River Work.

Merits of Avenarius Carbolineum Recognized by National, State and Municipal Governments.

The fame of Avenarius Carbolineum has steadily extended as the only bona fide preserver of wood, since its discovery in Germany thirty years ago. It has stood all tests of climate soil and water and steadily lived down all pretended rivals. To day it is not only employed in all countries for the preservation of articles such as houses, barns, fences etc. but the national government, both of Europe and America, have recognized its value in saving public constructions from decay. Following their example cities and counties have also adopted Avenarius Carbolineum for bridges pavements etc and the leading ship builders and railroad companies have shown their faith in its merits by treating ship timbers, cars, telegraph poles and ties with the same never failing preventative against climatic decay and repugnant wood boring vermin both of land and water.

Great bodies move slowly and act after mature deliberation. It may therefore be safely stated that governments and corporations did not employ Avenarius Carbolineum until fully convinced of its money saving as well as wood preserving qualities. Private individuals desirous of lengthening the life of wood work and at the same time curtailing expense, need not fear to follow the precedents established.

With such examples before them it would appear that the individual culpable who does not protect his own or the taxpayer's pockets by using this compound thus saving from decay, and lengthening the life of all frame structures for which he is individually or officially responsible.

Fisher Thorsen & Co. of Portland Or, are sole Pacific coast agents for Avenarius Carbolineum, and it can be found at J P Corrin's, Cottage Grove, who will gladly supply information regarding its accomplishments.

What lovely birds one sees when he has't got a gun. This has no reference to "Jim" Lyle, who is again on our Streets, shaking hands with his old time friends after a year's absence at his old home in Tennessee.

It now turns out that the \$40,000, 000 reduction in the war tariff on which the Republicans so plumed themselves, has worked out as one of \$12,000,000 only. Result, the Treasury Department is moving heaven and earth to get rid of the money that is piling up in its vaults to prevent contraction. All the favored banks have been well supplied and still the cash piles up.

There will be another car. But the man can't wait. He chases the car and swings on, panting and hot, but satisfied. He keeps this gait all day. He works that way, he lunches that way. He continues this until his stomach "breaks down" and nature compels him to "go slow." Business men who have impaired their digestion by hasty eating will find in Dr. Pierce's Golden Medical Discovery a cure for dyspepsia and other diseases of the stomach and organs of digestion and nutrition. It does not give mere temporary relief, but it effects a radical cure. It strengthens the stomach, nourishes the nerves and purifies the blood.

"For six long years I suffered with my liver, kidneys, and with indigestion, which baffled the best doctors in our country," writes E. L. Ransell, Esq., of Woolsey, Prince William Co., Va. "I suffered with my stomach and back for a long time, and after taking a 'cart-load' of medicine from three doctors, I grew so bad I could hardly do a day's work. Would have death-like pains in the side, and blind spells, and thought life was hardly worth living. I began taking Dr. Pierce's Golden Medical Discovery and 'Pleasant Pellets,' as advised. Before I had taken half of the second bottle I began to feel relieved. I got six bottles and used them, and am happy to say I owe my life to Dr. Pierce and his medicine."

United States official Report

MADE TO

Commissioner of the United States.

General Land Office, Washington D C.

by a Geologist and Mining Expert of world-wide reputation, Professor Benjamin Silliman who spent several months there being connected with the United States Surveying Corps and in his official report says:

"HERE ARE COUNTLESS MILLIONS OF TONS OF RICH GOLD QUARTZ reduced by the great forces of nature to a condition ready for the application of the hydraulic process with the entire bed of the Rio Grande for 40 miles is a sluice on the bars of which the gold derived from the wearing away of the gravel banks has been accumulating for countless ages and now lies ready for extraction by the most approved methods of river mining. THE THICKNESS OF THE RIOGRANDE GOLD GRAVEL EXCEEDS IN MANY PLACES 600 FEET OR NEARLY THREE TIMES THAT OF THE LIKE RIVERS IN CALIFORNIA WHILE THE AVERAGE VALUE PER CUBIC YARD IS BELIEVED TO BE GREATER IN THE NEW MEXICO BEDS THAN IN ANY OTHER SUCH ACCUMULATIONS YET DISCOVERED. I have made a reconnaissance of the whole of this gravel along the Rio Grande and have examined with all the care possible in the time at my command the character of the gravel and its contents of gold. NOTHING I AM PERSUADED SINCE THE DISCOVERY OF CALIFORNIA AND AUSTRALIA IS COMPARABLE FOR ITS MEASURABLE RESOURCES OF GOLD AVAILABLE by the hydraulic process to the deep places of the Rio Grande."

Other reports from eminent mining experts of national reputation pronounce the property of this Company the richest and most extensive known.
