

**NEW BOOKKEEPER.**—Roy R. Knox, the efficient and popular deputy county clerk has resigned his position to enter the Eugene Loan & Savings Bank as bookkeeper. Roy will remain in the clerk's office until about November 10, or until court adjourns. The clerk's office loses a popular and painstaking assistant and the bank secures the services of an industrious young business man.—Register

**BADLY BURNED.**—Yesterday morning about 9 o'clock Nellie, the 16-year-old daughter of George Day, the well known pioneer of Lane county, residing in the old Christian house at East Twelfth and Pearl streets, was the victim of an accident which, had not timely assistance arrived, would have caused her death. The young lady was standing near the stove in the sitting room reading a paper when the back of her morning wrapper, which she was wearing caught fire. Her cry then attracted the other members of the family who were then eating breakfast. Her brother George was the first to reach her and he tried to put out the fire with his hands but failing in this, ran for a quilt. In the meantime her father tried to stop the flames but was unable to do so, and the young lady ran out into the yard where her brother wrapped the quilt around her and the fire was put out.

Drs D A Paine and W L Brown were immediately summoned and they found that the back of the young lady was badly burned from her hips up. The burns are not very deep but cover a great deal of space.—Monday's Guard.

**THE FISCHER.**—VAN CLEVE CO.—The Fischer—Van Cleve Company of Players arrived here Sunday afternoon and opened a week's engagement at the Opera House Monday night. This is one of the best companies on the road and Cottage Grove should congratulate herself upon being able to have such a company booked here. The company is composed principally of native Oregonians, who bid fair to climb to the top of the thespian ladder. Miss Babe Fischer the leading lady who is not yet 15 years of age and as yet a mere child in her career as an actress, having up to this time only had about six weeks experience and training, is certainly a wonder. Bert VanCleve is a comedian of exceptionally rare ability, and Mr Covington is a young actor who has a bright future to him. The band and orchestra under the directorship of Mr Chas Cochran, of this city, who has signed with the company is doing good work. Mr Cochran is one of the finest cornet soloists in the state and the company is lucky in securing his services. Mrs Van Cleve in the character work is one of the best that has ever played this coast without any exceptions.

The opening number "The Lunatics" was rendered to a crowded house. Every seat was filled and standing room was at a premium. Everybody was well pleased with the performance and spoke a good word of it to their friends consequently on Tuesday evening the house was crowded again, "Jerry the Tramp" being the attraction. On Wednesday evening "Ole Olsen, Jr" and Thursday "Tatters" the pet of Squatters Gulch was rendered to a large and appreciative audience.

Tonight "Ten Nights in the Bar Room" and tomorrow night "East Lynne" will undoubtedly receive crowded houses. The writer having witnessed the production of "East Lynne" at Eugene last Saturday night can heartily recommend it as the banner piece of the company.

**MULTNOMAH WON.**—What might have been a foot ball game had it not been a "fight" at Eugene last Saturday was won by Multnomah over the U of O. To our minds there was little ball played though the varsity boys put up much the better ball. The Multnomah boys seemed determined to win either by fair or foul means from the start and resorted to slugging which the U O's endured the for awhile without returning the compliment. The score was 5 to 0 in favor of the Multnomah team, made by a goal kicked from the field.

## THE GREAT REDUCTION SALE

Still Continues

At the T. K. RICHARDSON

MUSIC Store

OF

Roseburg, Ore. . .

The corset system is a great thing. The test of a correct system is its fruits. Our system of Piano selling simplifies the manner of Piano purchasing so that a child can buy an instrument without paying a penny too much for it. The high prices of Pianos that we hear of now and then seem wonderful to us. We have been selling Pianos and Organs right here in southern Oregon for 12 years and have never heard a complaint either as to price or quality of goods. Remember you have a two year's trial with the privilege of exchanging at our expense. Mr K N Wonacott has been our representative for over one year and you will find him honorable in all his dealings and makes friends everywhere he goes. We have done a fine business along the line from Roseburg to this city and we intend to call around often and see that all our goods are giving satisfaction if we fail to call on you and you need anything in the music line address T D Richardson, Roseburg Oregon. We have constantly on hand Chickering, Weber, Kimball, Needham, Whitney, Jacob, Doll and other good makes of Pianos and Organs. Newman Bros, Needham Kimball, Estey, Great Western and Chicago Cottage.
