FORESTERS BALL.—Christmas night the Foresters of America gave a grand masquerade ball at the Martin Hall. A large crowd attended and all report a pleasant time. The music was furnished by A. Nelson, violin; Byron Atkins, cornet; Mrs. Abrams, piano.

SAGINAW ACCIDENT.—John Head came down from Saginaw last week with a severely mashed hand. He caught it between two logs and crushed it badly on Friday while at work. Drs. Paine and Kuykendall attended the wound and with close attention they may be able to save his hand. Mr. Head left for Saginaw yesterday.—Register.

DIVIDENDS DECLARED.—The Helena Mining and Milling Co. have announced their 21st monthly dividend, payable yesterday. It amounts to 1/2 cent per share. The Helena people are operating one of the best mines in the state and the dividend would be much more were it not for the fact that they are expending so much money in the development of Bohemia district. They deserve much credit for the work they are doing.

PIANO RECITAL.—Last Friday evening we had the pleasure of attending a grand musical treat at the home of Mrs. L. D. Beck. The occasion was the recital of her piano class. Mrs. Beck has a large class and only a part of them were included in the recital at this time. The others will be given a recital later. In the rendering of the selections, each and every member of the class showed the marks of excellent training. The classical selections by Mrs. Beck, Misses Lillian and Celia Lurch, Ehrmine Veatch, Greta Bristow and Cleo Lewis, were superb, while the little girls who are just beginning are to be complimented upon their progress. After the conclusion of the program delicate refreshments were served. Mrs. Beck's pupils look forward to the recitals with pleasure. We hope that it will soon be our privilege to again attend such a musical treat.

SANTIAGO.—The war drama, Santiago, was rendered at the Opera House, last Friday evening by Co. A, O. N. G. of Eugene, to a small but appreciative audience. The fact that such a small audience greeted the company is to be regretted, for to say the least the performance although wholly amateur, ranks high above any professional performance ever witnessed in Cottage Grove. Miss Sina Orrel, a former Cottage Grove lady in the roll of Cora Bassett, the leading lady was a brilliant star. Her elocution and stage work would have done honor to any stage, while her costume was elaborate and tasty. Should Miss Orrel decide to turn her attention to this line of work there is indeed a very bright future in store for her. Miss LaVerne Long, as Bess Walton was exceedingly strong. Her composure and graceful appearance together with her rich costume and smooth stage work, is evidence of her ability as an actress. Miss Agnes Harris in the roll of Yeobel Carlos, a Cuban lady, did the part justice and won many deserving compliments. The heavy work of Arthur Stubling in the roll of Fernando Diaz was something seldom witnessed on an amateur stage. Mr. Chas. Griffin as Capt. Hutton was also very clever, while Lester Lucky and Clive Cheshire in the comic rolls brought down the house. The entire company deserve much praise but space will not permit us to give personal mention to the minor rolls. We wish to congratulate the entire company.

THEY GOT BOOKED OFF.—S. F. Nelson and J. B. Mosby started out of town on the back of the same horse, Thursday evening but the horse didn't like the idea of carrying them both so he proceeded to unload the two of them landing Mosby over the side walk into the ditch about 3 feet deep near the Hemenway Blacksmith shop.

FINE VIEWS.—Photographer C. L. Winter this morning showed us an album of 41 fine views of the Blackbute mining district, 18 miles south east of Cottage Grove. The photos were taken by Mr. Winter during his visit to the mines in November and were made for W. B. Dennis, owner of the Blackbute quicksilver mine. The views show the different tunnels etc. and are splendid works of art.—Guard.

CHRISTIAN ENDEAVOR SOCIAL.—On Christmas night the C. P. Christian Endeavor entertained the Epworth League and the Endeavor society of the Christian church, at the Masonic Hall. There was a large crowd present and all availed themselves of the opportunity to have a good time. Numerous games were indulged in, a splendid program rendered and refreshments served. A prize was given for the couple making the best drawing of five different animals and guessing the names of 10 different songs from hearing the first few notes of each played on the organ. The prize was awarded to Miss Elsie Lea and Mr. Winters Wallace, who had all the songs correct and the second best drawing.

OAKLAND WON.—Christmas day the C. M. A. foot ball team lined up against the Oakland team to try for gridiron honors. There were about 750 people out to witness the game but they had little hopes of our boys winning when they saw the two teams line up for our boys looked like babies by the side of the visitors. And every one expressed themselves as surprised at the heroic work of the C. M. A's against such odds. The Oakland team averages 165 pounds and the C. M. A's average is 140. Space will not permit a detailed writeup of the game. Oakland scored 5 points in the first half on a fumble by the C. M. A's while in the last half neither side scored although the ball was in Oakland's territory the entire time and at times it looked as though our boys would score in spite of all odds. Just at the close of the game Jackson got through the line for 20 yards which landed the ball in 8 yards of Oakland's goal. The following is the line up:

Page	e	Hambriek
Schelling	rg	Berry
Buttler	lg	McKibben
Beidler	rt	Martin
Clay	lt	Allison
Harstock	re	Taylor
Stevens	le	Corrin
Brown	rh	Jackson
Mahoney	lh	Blair
Gray	q	Hill
Pilkington	f	Griffin

Time keeper, H. Mahoney; umpire Phil Beckley; referee, L. Lewis.

NOTES OF THE GAME.
Hambriek was laid out and replaced by Veatch.

Jackson and Blair at half are hard to beat for their age and size.

Currin, the little 130 pound end was enough for the 165 pound man he had to buck against.

The C. M. A's made as much yardage through the line as did the visitors through our line.

The touchdown was purely an accident, but accidents count in foot ball.

Oakland expressed themselves as much pleased with the treatment received in the Grove and say we have the most gentlemanly team they have ever played.

Pilkington at full back played Oakland's game. He was the only sure ground gainer they had but we must say he plays dirty ball.
