To inexperienced patentees all patents are of equal protective value. They all have the seal of the Government and a blue ribbon; but some patentees know the importance of claims and it is to their skill and perseverance in securing protecting claims that C A Snow & Co., of Washington, owe in part their reputation and success.

Child Worth Millions.

GOOD SUCCESS

It is learned from different members of the committee which was appointed to secure the right of way for the Cottage Grove--Bohemia railroad that they are having splendid success. No serious difficulties have yet been encountered and it is thought that they can soon report the right of way clear.

Concessions have been made by both the railroad company and by the property owners. In some places the present survey will be changed, so that it will be of less damage to the property owner.

While the contracts have not yet been drawn up and signed it is stated that four-fifths of the right of way has practically been granted. The committee is working faithfully and the citizens of Cottage Grove and vicinity should lend them all the aid possible. This committee is composed of business men and they know a business proposition when they see it. They know what a railroad to Bohemia means to Cottage Grove and the surrounding country and they mean that it shall not be their fault if the road is not built. Every property owner on the route should be just as reasonable with the committee as possible and remember that while they are working for the interest of every person in this section of Lane county.

BIG DEMAND FOR TIMBER

George H Kelly, of the Booth-Kelly Lumber Company, owing the cream of the merchantable timber in the Willamette Valley and operating a half dozen sawmills of various points, is in the city conferring with Eastern capitalists in reference to a large deal. Mr Kelly reports that the demand for timber is increasing at such a rate that almost anything in the shape of timber land finds a ready market. Lands that his company purchased a few years ago now are worth three to four times as much as when purchased.

Among the large plants operated by the Booth-Kelly Company are those at Saginaw and Wendling--Portland Telegram.

TALLEST MAN IN WORLD

Edward Baupre, probably the tallest man in existence, arrived in Salt Lake City from his home at Assiniboine, N W T, one day last week. He is of French descent speaks but little English, and is accompanied by a young man who will exhibit him in the East as the "Montana Giant."

Baupre is now 21 years of age and until his twentieth year exhibited no gigantic tendencies. He rode the range until a few years ago in the neighborhood of Glasgow.

He measures 7 feet 10 1/2 inches in height, his chest measurement is 54 inches, hip measures 68 inches and waist measures 48 inches. His head is 28 inches around, his shoes are 17 inches in length and his hand measures 11 inches from base of thumb to tip of middle finger. His weight is 367 pounds.

Physically he is almost an Apollo, being symmetrically and proportionally formed. He is equally as strong as he is phenomenal in height, and it is said that with ease he will reach over, take a 900-pound horse under his arm and lift it from the ground.

Don't forget that 10 of our new subscribers during the month of February will get a free subscription to the Sunny South. Now is the time to subscribe.

Work is progressing very slowly on the new fire bell tower. This should not be. The alarm is badly needed and the work should be completed as rapidly as possible.

The IOOF lodge is contemplating building a 40 foot addition to their hall. The addition is badly needed by Messrs Campbell & Alexander who occupy the lower story of the building with their store.

LaGrippe coughs often continue for months and sometimes lead to fatal results after the patient is supposed to have passed the danger point. Foley's Honey and Tar affords positive protection and security from these Coughs. New Era Drug Store.

"Something New Under The Sun"

All Doctors have tried to cure CATARRH by the use of powder, acid gases, inhalers and drugs in paste form. Their powders dry up the mucous membranes causing them to crack open and bleed. The powerful acids used in the inhalers have eaten away the same membranes that their makers have aimed to cure, while pastes and ointments cannot reach the disease. An old and experienced practitioner who has for many years made a close study and specialty of the treatment of CATARRH, has at last perfected a treatment which when faithfully used not only relieves, but permanently cures CATARRH by removing the cause, stopping the discharge, and curing all inflammation. It is the only remedy known to science that actually reaches the affected parts. This wonderful remedy is known as "SNUFFLES the GUARANTEED CATARRH CURE" and is sold at the extremely low price of One Dollar, each package containing internal and external medicine sufficient for a full month's treatment and everything necessary to its perfect use.

"SNUFFLES" is the only perfect CATARRH CURE ever made and is now recognized as the only safe and positive cure for that annoying and disgusting disease. It cures all inflammation quickly and permanently and is also wonderfully quick to relieve RAY FEVER or COLD IN THE HEAD.

CATARRH when neglected often leads to CONSUMPTION--"SNUFFLES" will save you if you use it at once. It is no ordinary remedy but a complete treatment which is positively guaranteed to cure CATARRH in any form or stage if used according to the directions which accompany each package. Don't delay but send for it at once and write full particulars as to your condition and you will receive special advice from the discoverer of this wonderful remedy regarding your case without cost to you beyond the regular price of "SNUFFLES" the GUARANTEED CATARRH CURE.

Sent prepaid to any address in the United States or Canada on receipt of One Dollar. Address Dept E883 EDWIN B GILES & COMPANY, 2330 and 2332 Market Street, Philadelphia.
