CARD OF THANKS.

I thank my friends very kindly for the liberal patronage they have given me and I will continue right on giving them the same close prices. I don't think it necessary to give long lists of prices as I think you understand I will not be undersold. Among my late Undertaking Goods is a latest Model Cooling Board. A splendid kit of Embalming Tools and Fluid also a \$25.00 Church and Parlor Truck to carry the casket after remains are placed in it. All of which is the most modern equipments. By 20th of February I will have as good selected stock of furniture to choose from as was every shown in Cottage Grove. Don't think I have sold out but I am here to stay.—U. S. MARTIN.

Saved Her Child's Life.

"In three weeks our chubby little boy was changed by Pneumonia almost to a skeleton, writes Mrs W Watkins, of Pleasant City O "A terrible cough set in, that, in spite of a good doctor's treatment for several weeks, grew worse every day. We then used Dr King's New Discovery for Consumption, and our darling was soon sound and well. We are sure this grand medicine saved his life." Millions know it's the only sure cure for Coughs, Colds and all Lung diseases Currin's Drug Store guarantee satisfaction. 50c, \$1.00. Trial bottles free.

Rev Irl R Hicks, the long range weather prophet and astronomer, in his paper, Word and Works, printed at St Louis, for the month of February, says: "If the bright days that have largely prevailed, the first part of January, cause our readers to think that the winter is ended we warn them against acting upon such rash conclusions. Possibly they may have reason to change their minds before this issue of Word and reaches them. Have an eye of mercy for your life stock in the months of February and March."

Clerk's Wise Suggestion.

"I have lately been much troubled with dyspepsia belching and sour stomach." writes M S Mead, leading pharmacist of Attoboro, Mass. "I could eat hardly anything without suffering several hours. My clerk suggested I try Kodol Dyspepsia Cure which I did with most happy results. I have had no more trouble and when one can go to eating mince pie, cheese, candy and nuts after such a time, their digestion must be pretty good. I endorse Kodol Dyspepsia Cure heartily. You don't have to diet. Eat all the good food you want but don't overload the stomach. Kodol Dyspepsia Cure digests your food. Benson Drug Co.

SCHLEY ASKS FOR JUSTICE.

The navy department has made public Admiral Schley's appeal, delivered to the president about a week ago. Admiral Schley appears to the president as the chief executive and commander-in-chief of the army and navy, "vested with power to regulate and direct the acts of the several executive officers thereof" and he asks that the president review the findings of the court. He asks this on three grounds, in each case basing his appeal on the findings of Admiral Dewey, as opposed to the majority report. These three grounds are set out compendiously in the "petition" which fills about eight printed pages of a pamphlet, and is signed by Admiral Schley and by Messrs. Rayner, Parker and Teague, of his counsel.

As to the general obligation on the court to determine this question of command, the counsel declared that they should have done so because:

(a) The question has never been considered and determined by a body of competent jurisdiction having before it all the facts and all the parties interested.

(b) That a doubt existing as to who was actually in command at the battle of Santiago, there arose in the navy of the United States and among the people at large a controversy over this point, which controversy, without being instigated, fostered or countenanced by your petitioner, has waged for more than three years, to the great detriment of the good of the service and to hurt of those concerned in the said question.

(c) That in course of the said controversy, your petitioner was made the object of most unjust accusations, affecting his personal and public character, which accusations were inspired by those who sought to establish the fact that he did not command at the battle, and owing to said accusation he suffered much injury.

(d) That the said controversy brought about a condition which resulted in all those persons present and participating in such battle being denied and rewards which a generous country is disposed to grant those who serve it well in war.

(e) That the said controversy can only be terminated and justice done to those whom justice is due upon the rendition by a body of competent jurisdiction having before it all the facts and parties concerned of the decision upon this question, which shall be final and conclusive.

(f) That such a decision will result in betterment of the service by closing a deplorable controversy which now divides the service into hostile factions; that, further, such a decision will perpetuate in history the true facts surrounding one of the greatest naval conflicts of modern times and one of the greatest naval victories ever achieved by this country.

(g) That in asking for a court to pass upon his conduct during the war with Spain, your petitioner expected by such action and its consequences to secure a judgment so final and conclusive as to terminate the said controversy and relieve the service of a most beautiful contention.

(h) That in this respect his desire was shared by the navy department, which created the court and vested it with ample authority in the premises.

(i) That under the circumstances and conditions herein set forth it became a duty of the said court to pass upon this question, to the end that the said controversy might be terminated the truth properly perpetuated in history, justice done the deserving, and the good of the service conserved.

The Hiawatha Mining and Milling Co held a meeting in the company office in this city Tuesday and decided to place the stock on the market a 5 cent per share after next Tuesday. This advance was made owing to the fact that several rich strikes have recently been made on the company's property in Bohemia. The company is doing some good development work on their claims and are meeting with marvelous success.

A Thousand Dollars Thrown Away.

Mr W W Baker, of Plainview, Neb, writes "My wife had lung trouble for over fifteen years. We tried a number of doctors and spent over a thousand dollars without any relief. She was very low and I lost all hope, when a friend suggested trying Foley's Honey and Tar, which I did; and thanks be to this great remedy it saved her life. She is stronger and enjoys better health than she has ever known in ten years. We shall never be without Foley's Honey and Tar and would ask those afflicted to try it. Benson Drug Co.

A Worthy Successor.

"Something New Under The Sun"

All Doctors have tried to cure CATARRH by the use of powder, acid gases, inhalers and drugs in paste form. Their powders dry up the mucous membranes causing them to crack open and bleed. The powerful acids used in the inhalers have eaten away the same membranes that their makers have aimed to cure, while pastes and ointments cannot reach the disease. An old and experienced practitioner who has for many years made a close study and specialty of the treatment of CATARRH, has at last perfected a treatment which when faithfully used not only relieves a once, but permanently cures CATARRH by removing the cause, stopping the discharges, and curing all inflammation.
