

NOTICE TO TAXPAYERS.

NEW TAX LAW.

At the last session of the legislature a new law was passed in regard to the collection of taxes, which law took effect on December 1st, 1901, and in substance is as follows:

1. If you pay your taxes on or before March 15th you will be allowed a rebate of three per cent.

2. If you pay your taxes between March 15th and up to and including the first Monday in April, there will not be any rebate and neither will there be any penalty or interest added.

3. If your taxes are not paid on or before the first Monday of April, they will become delinquent, when there will be added a penalty of 10 per cent, and the tax will also draw interest at the rate of 12 per cent per annum in addition to the penalty.

4. If you pay one half of your taxes on or before the first Monday in April, then the remaining half may run up to and including the first Monday in October following; but if the last half of tax due is not paid by the first Monday of October, it becomes delinquent and there will be added to such balance, a penalty of 10 per cent, and in addition, such balance will bear interest at the rate of 12 per cent per annum from the first Monday in April until paid.

5. On all personal property taxes if one-half is not paid on or before the first Monday in April, the law compels the sheriff to levy upon and collect the same after May 1st hence to prevent a levy upon personal property after May 1st it will be necessary for one half to be paid as above stated.

6. The law compels the sheriff to sell all lands on which taxes have not been paid, and that such sales shall not be held later than March 1st of the year succeeding the year in which the tax levy is made.

7. The property will be sold, to the person bidding the lowest rate of interest, and certificates will be issued therefor, and deeds given to such property sold, unless redeemed within three years from the date of such sales.

The 1901 assessment rolls will be received at the Sheriff's Office March 1st, 1902. Any written enquiries regarding 1901 taxes received prior to that date will be filed and promptly attended to as soon as the books are open for payments. In making enquiries as to amount of taxes, if possible, give to whom the property is assessed and description of the same.

Dated this 25th day of January 1902.

The Home Gold Cure.

An Igenious Treatment By which Drunkards are Being Cured Daily In Spite of Themselves.

No Noxious Diseases, No Weakness of the Nerves, A Pleasant Positive Cure for Liquor Habit.

It is not generally known and understood that Drunkenness is a disease and not weakness. A body filled with poison, and nerves completely shattered by periodical or constant use of intoxicating liquors, requires an antidote capable of neutralizing and eradicating this poison, and destroying the craving for intoxicants. Sufferers may now cure themselves at home without publicity or loss of time from business by this wonderful "HOME GOLD CURE" which has been prepared after many years of close study and treatment of inebriates. The faithful use according to directions of this wonderful discovery is positively guaranteed to cure the most obstinate case, no matter how hard a drinker. Our records show the marvelous transformation of thousands of Drunkards into sober, industrious and upright men.

WIVES CURE YOUR HUSBANDS!! CHILDREN CURE YOUR FATHERS!! This remedy is in no sense a nostrum but is a specific for this disease only, and is so skillfully devised and prepared that it is thoroughly soluble and pleasant to the taste, and that it can be given in a cup of tea or coffee without the knowledge of the person taking it. Thousands of Drunkards have cured themselves with this priceless remedy and as many more have cured and made temperate men by having the "cure" administered by loving friends and relatives without their knowledge in tea or coffee and believe today that they discontinued drinking of their own free will. DO NOT WAIT. Do not be deluded by apparent and mislabeled "improvement." Drive out the disease at once and for all time. The "HOME GOLD CURE" is sold at the extremely low price of One Dollar, thus placing within reach of everybody a treatment more effectual than others costing \$25 to \$50. Full directions accompany each package. Special advice by skilled physicians when requested without extra charge. Sent prepaid by any part of the world on receipt of One Dollar. THE POISE

Of a woman in perfect health attracts the eye at once. Such a woman is all too rarely seen. The most of women bear scars of suffering on their faces which no smiles can hide, and often in their very carriage betray the womanly weakness which oppresses them.

There can be no perfect health for the woman who suffers from disease of the delicate womanly organization. Her general health is so intimately related to the local health of the womanly organs that these must be cured before the general health can be established.

Dr. Pierce's Favorite Prescription makes weak women strong and sick women well. It cures womanly disorders and diseases; brightens the dull eye, rounds out the hollow cheek and gives strength for wifely duties and maternal cares.

"My health is the best now that it has been for four years," writes Mrs. Phebe Morris, of Ipa, Cayuga Co., N. Y., Box 22. "I have taken but two bottles of your medicine, 'Favorite Prescription' and 'Golden Medical Discovery.' These medicines have done me more good than all that I have ever taken before. I couldn't do my work only about half the time, and now I can work all the time for a family of four. Before I took your medicine I was sick in bed nearly half the time. My advice to all who are troubled with female weakness is to take Dr. Pierce's Favorite Prescription and 'Golden Medical Discovery'—the most wonderful medicines in the world."

Dr. Pierce's Common Sense Medical Adviser is sent free on receipt of 21 one-cent stamps to pay expense of mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.

THE GRAND CANON OF THE ARKANSAS.

Easiest of access among all the canons of Colorado, being situated on the main line of the Denver & Rio Grande between Canon City and Salida in the front range of the Rockies, it is the most spectacular, awe-inspiring and magnificent. Down this mighty cleft in the heart of the granite rock-barrier rush the raging waters of the Arkansas River, lashed into spuming spray by its swift descent through the tortuous defile. So narrow is the passage at one point that there was no room for both road and river, and therefore a curiously constructed bridge of steel had to be thrown lengthwise of the stream, suspended from iron supports mortised into the canon walls on each side to the right and left. And right there can be seen the climax of all the canon's grandeur, that which has been aptly called "The Royal Gorge." For two thousand six hundred feet the solid monoliths soar upward—five times as lofty as the Washington Monument, the highest permanent structure reared by the hand of man. No words can adequately describe the magnificence of the scene. Only those who have beheld its glories can appreciate them.

This is but one of the many wonders of nature revealed to the traveler on the Denver & Rio Grande Railroad, "The Scenic Line of the World."

Saved Him From Torture.

There is no more agonizing trouble than piles. The constant itching and burning make life intolerable. No position is comfortable. The torture is increasing. DeWitt's Witch Hazel Salve cures piles at once. For skin diseases, cuts, burns, bruises, of all kinds of wounds it is unequalled. J S Gerall, St Paul, Ark, says: "From 1865 I suffered with the protruding, bleeding piles and could find nothing to help me until I used DeWitt's Hazel Salve. A few boxes completely cured me." Beware of counterfeits. Benson Drug Co.

A CARD TO INVENTORS AND PATENTEES.

In a recent publication, we are taunted by another patent attorney with "railroading" applications for patents through the United States Patent Office. Statistics show that railroad travel is not only the swiftest but the safest in the world. There are however, people who prefer ox-cart and ass-cart locomotion.

ARE YOU DEAF? ANY HEAD NOISES?

DEAFNESS OR HARD HEARING ARE NOW CURABLE
by our new invention. Only these born deaf are incurable.

HEAD NOISES CEASE IMMEDIATELY.
F. A. WERMAN, OF BALTIMORE, SAYS:
Baltimore, Md., March 30, 1902.
Gentlemen:—Being entirely cured of deafness, thanks to your treatment, I will now give you a full history of my case, to be used at your discretion.
About five years ago my right ear began to ring, and this kept on getting worse, until I lost my hearing in this ear entirely.
I underwent a treatment for catarrh, for three months, without any success, consulted a number of physicians, among others, the most eminent ear specialist of this city, who told me that only an operation could help me, and even that only temporarily, that the head noises would then cease, but the hearing in the affected ear would be lost forever.
I then saw your advertisement accidentally in a New York paper, and ordered your treatment. After I had used it only a few days according to your directions, the noises ceased, and today, after five weeks, my hearing in the diseased ear has been entirely restored. I thank you heartily and beg to remain Very truly yours,
F. A. WERMAN, 730 S. Broadway, Baltimore, Md.

United States official Report

by a Geologist and Mining Expert of world's reputation. Professor Benjamin William spent several months there then being aided with the United States Surveying Corps in his official report says:
"HERE ARE 400 MILLION TONS OF RICH GOLD QUARTZ reduced by great forces of nature to a condition ready for the application of the hydraulic process to the entire bed of the Rio Grande for 14 miles a sluice on the bars of which the gold derived from the wearing away of the gravel banks has been accumulating for countless ages and is ready for extraction by the most approved methods of river mining. THE THICKNESS OF THE RIO GRANDE GOLD GRAVEL EXCEEDS IN MANY PLACES ONE FEET NEARLY THREE TIMES THAT OF THE AVERAGE VALUE PER CUBIC YARD BELIEVED TO BE GREATER IN THE NEW MEXICO BEDS THAN IN ANY OTHER SUCH ACCUMULATIONS YET DISCOVERED."

I have made a reconnaissance of the whole this gravel along the Rio Grande and have mined with all the care possible in the at my command the character of the gravel and its contents of gold. NOTHING I AM PERSUADED SINCE THE DISCOVERY CALIFORNIA AND AUSTRALIA. IS COMPARABLE FOR ITS MEASURABLE SOURCES OF GOLD AVAILABLE by hydraulic process to the deep placers of the Grande."
